Living with Shadows Annette Heys, 2012-10-17 On her first day as a newly qualified teacher in a Category B prison Kate Stuart meets Michael and is immediately struck by his uncanny resemblance to her son Michael is shy and unmotivated in class so Kate encourages him to write about his life prior to his murder conviction His writing reveals a lifetime of abuse and disillusionment and this stirs up memories from Kate's own life When Michael falls into depression and attempts suicide Kate believes she is to blame for asking him to revisit his past On his return to class after a stay in hospital Michael continues to write but Kate soon realises that the now sexually explicit content of his letters is intended to arouse her Her obsession with the young prisoner's welfare makes her oblivious to what is happening closer to home her son's drug addiction and husband's affair

Spirit-Controlled Living Clark Cothorn, 2000-05-11 A fresh approach to an old topic is this unique treatise on Spirit Controlled Living Focusing on impulses those pesky little triggers of idea and energy that may lead even well disciplined people toward brilliant or regretted actions Clark Cothorn's third book provides readers more than white knuckling techniques for self control His step by step biblical model of impulse management shows how to use spontaneous anger overspending overeating misplaced sexual desires and other impulses to identify weak areas and partner with God toward achieving peace and freedom Keep Looking Up Berlin R. Meredith, 2010-11-11 Berlin Meredith began his collection of thoughts quotes poems and stories many years ago After retiring from the Federal Government as a Veterans Benefits Counselor he worked as a cashier at a local Big Bear Plus supermarket While there he began printing his Thought of the Week on strips of paper and giving them to each person who came through his check out line This was so well received that his many friends and customers encouraged him to put his collection of quotes in a book This book contains many of his favorite quotes thoughts poems and stories In addition he has written several short stories and some of those stories are included in the book Not only is his book entertaining reading but it contains inspirational and motivational quotes which can be used to Energize your speeches with interesting quotes and thoughts Invigorate your staff meetings Vitalize and liven up your newsletters by adding motivational thoughts and quotes Or you may just want to Memorize a thought or Bible verse every day
