## **Saddam Hussein President Of Iraq:**

**Saddam Hussein: President of Iraq** , The American Broadcasting Co Inc presents the 2001 article entitled Saddam Hussein President of Iraq Iraqi President Saddam Hussein 1937 has been the political leader of Iraq for the past two decades While the controversial president claims to be leading his people to new glory Iraq is bankrupt and the country is under economic sanctions Hussein has been a member of the socialist Baath party since his years as a student Hussein led revolts during his rise to power **Saddam Hussein** Shiva Balaghi,2006 Explains key aspects of Saddam Hussein s life within the context of the history of Iraq in the twentieth century Saddam Hussein Efraim Karsh,Inari Rautsi,2007-12-01 Probably the best biography of Saddam Hussein it presents a coherent view of a man who has generated a good deal of mythology Roger Hardy BBC World Service Authors Efraim Karsh and Inari Rautsi experts on Middle East history and politics have combined their expertise to write what is largely considered the definitive work on Iraq s fifth president Drawing on a wealth of Iraqi Arab Western and Israeli sources including interviews with people who have had close contact with Saddam Hussein throughout his career the authors trace the meteoric transformation of an ardent nationalist and obscure Ba ath party member into a dictator and geopolitical player From Saddam s key role in the violent coup that brought the Ba ath party to power to the Iran Iraq War the Gulf War and beyond Karsh and Rautsi present a detailed biography that skillfully interweaves analysis of Gulf politics and history Now with a new introduction and epilogue this authoritative biography is essential for understanding the life and influence of this modern tyrant Saddam Hussein Dale Anderson,2004 A biography of the powerful president of Iraq Saddam Hussein whose rule began in 1979 with a coup and the assassination of sixty six men who were allegedly conspiring against him The Clinton Years Shirley Anne Warshaw,2014-05-14 Comprehensive and easy to navigate The Clinton Years gives readers a full perspective of Bill Clinton s presidency from his successful economic policies to his relations with Monica Lewinsky This comprehensive A to Z reference contains more than 250 biographical entries examining the main politicians and foreign leaders during the administration and includes a number of primary source documents such as presidential speeches and executive decisions **Debriefing the President** John Nixon,2016-12-27 Debriefing the President presents an astounding candid portrait of one of our era s most notorious strongmen John Nixon the first man to conduct a prolonged interrogation of Hussein after his capture offers expert insight into the history and mind of America s most enigmatic enemy In December 2003 after one of the largest most aggressive manhunts in history US military forces captured Iraqi president Saddam Hussein near his hometown of Tikrit Beset by body double rumors and false alarms during a nine month search the Bush administration needed positive identification of the prisoner before it could make the announcement that would rocket around the world At the time John Nixon was a senior CIA leadership analyst who had spent years studying the Iraqi dictator Called upon to make the official ID Nixon looked for telltale scars and tribal tattoos and asked Hussein a list of questions only he could answer The man was indeed Saddam

Hussein but as Nixon learned in the ensuing weeks both he and America had greatly misunderstood just who Saddam Hussein really was After years of parsing Hussein s leadership from afar Nixon faithfully recounts his debriefing sessions and subsequently strips away the mythology surrounding an equally brutal and complex man His account is not an apology but a sobering examination of how preconceived ideas led Washington policymakers and the Bush White House astray Unflinching and unprecedented Debriefing the President exposes a fundamental misreading of one of the modern world s most central figures and presents a new narrative that boldly counters the received account *Death of a Dictator* Tanushree Podder,2008 On the life and times of Saddam Hussein 1937 2006 former president of Iraq Saddam Hussein Felicia Okeke-Ibezim,2006-10 Leaders and Their Followers in a Dangerous World Jerrold M. to fathom the depth of darkness he inside his mind which enabled him to unleash the dictatorial terror he unleashed one should listen from the horses mouth Saddam Hussein the dear leader has explained the extremity of his actions as President of Iraq as necessary to achieve subjective immunity against foreign plots and influences All actions of the revolution are justified by the exceptionalism of revolutionary needs An investigation of Saddam Hussein s life and career reveals this is merely the justification for a lifelong pattern all actions are justified if they are in the service of furthering Saddam Hussein s needs and ambitions Nothing must stand in the great struggler s messianic path as he pursues his and Iraq s so called revolutionary destiny as summarized by this extract from Saddam Hussein s remarkable Victory Day message of 6 August 1990 This is the only way to deal with these despicable Croesuses who relished possession to destroy devotion who were guided by the foreigner instead of being guided by virtuous standards principles of pan Arabism and the creed of humanitarianism The second of August is the legitimate newborn child of the struggle patience and perseverance of the Kuwaiti people which was crowned by revolutionary action on that immortal day The newborn child was born of a legitimate father and an immaculate mother Greetings to the makers of the second of August whose efforts God has blessed They have achieved one of the brightest most promising and most principled national and pan Arab acts Two August has come as a very violent response to the harm that the foreigner had wanted to perpetrate against Iraq and the nation The Croesus of Kuwait and his aides became the obedient humiliated and treacherous dependents of that foreigner What took place on 2 August was inevitable so that death might not prevail over life so that those who were capable of ascending to the peak would not be brought down to the abysmal precipice so that corruption and remoteness from God would not spread to the majority Honor will be kept in Mesopotamia so that Iraq will be the pride of the Arabs their protector and their model of noble values This book will enlighten the reader about what was going on inside the head of the madman Saddam Hussein *Congressional Record* United States.
