From Nothing To 90 Will Klein, 2024-09-23 In *From Nothing to 90* Will Klein chronicles his life from hardscrabble beginnings as an adopted child in a Saskatchewan family struggling through the Dirty Thirties to early success as a newsboy and onto great business achievement despite numerous setbacks throughout his life In colourful humorous observant prose Will takes readers from Depression era Saskatchewan through his rise in business in the early days of television to his leadership in a storied public service organization that takes him around the world and into a whirlwind of political machinations that threatens to destroy him At its heart *From Nothing to 90* is an inspiring story about Saskatchewan its history hardships and opportunities But it s also a book about individual initiative seizing opportunity and never giving up even after government betrayal and setbacks that might appear insurmountable Manitoba Medicine Ian Carr, Robert E. Beamish, 1999-11-30 For many Canadians the state of our health care and medical system is at the top of the public agenda By following the growth and development of modern medicine in one Canadian province *Manitoba Medicine* provides an insight into where our present medical system came from and how it developed Beginning with a description of some early Aboriginal healing practices and of the physicians of the Red River Settlement *Manitoba Medicine* follows the struggles in the 1870s to establish what would become the first medical college and the first major hospitals in Western Canada It chronicles the fight for public health in the 1920s the development of health insurance and medicare after WWII and medicine s role in fighting the 1950 Winnipeg Flood and the polio epidemic of the late 1950s *Manitoba Medicine* also provides vivid accounts of many of the individuals who built Manitoba s medical system including early educators like Swale Vincent pioneering women physicians such as Charlotte Ross important researchers like Bruce Chown and colourful private practitioners such as Murrough O'Brien **St Mary's** E.A. Heaman, 2003-05-08 Focusing on St Mary's hospital London's great teaching hospital and traditionally the pre eminent site for medical education in England E A Heaman traces the emergence of the modern scientific teaching hospital and the intellectual social and political forces shaping it Examining the social problems connected with health and the political debates around these problems at both the local parish level and on

the national stage Heaman explains how and why hospitals like St Mary s originally charitable institutions for the poor began to admit middle class patients and eventually came under a national health insurance scheme A History of Dentistry in Canada Donald W. Gullett,1971-12-15 Beginning with the earliest records available describing the dental health of the Indians before the arrival of European settlers Dr Gullett gives a detailed and carefully documented history of dentistry in Canada He describes the unscrupulous tramp dentists who roamed the countryside years ago as well as their respectable contemporaries and he traces the development of practice education and professional associations as dentistry developed from an art to a science The author spent five years gathering information for this book from public archives libraries personal interviews and the records of the profession The result is a lively and readable story told with a continuing concern for health services **Secondary Sources in the History of Canadian Medicine** Charles G. Roland,2006-01-01 This work is a bibliography of secondary sources in Canadian medical history **Essays in Honour of Michael Bliss** Elsbeth A. Heaman,Alison Li,Shelley McKellar,2008-03-22 A leading public intellectual Michael Bliss has written prolifically for academic and popular audiences and taught at the University of Toronto from 1968 to 2006 Among his publications are a comprehensive history of the discovery of insulin and major biographies of Frederick Banting William Osler and Harvey Cushing The essays in this volume each written by former doctoral students of Bliss with a foreword by John Fraser and Elizabeth McCallum do honour to his influence and at the same time reflect upon the writing of history in Canada at the end of the twentieth century The opening essays discuss Bliss s career his impact on the study of history and his academic record Bliss himself contributes an autobiographical essay that strengthens our understanding of the business of scholarship teaching and writing In the second section the contributors interrogate public mythmaking in the relationship between politics and business in eighteenth nineteenth and twentieth century Canada Further sections investigate the relationship between fatherhood religion and historiography as well as topics in health and public policy A final section on Medical Science and Practice deals with subjects ranging from early endocrinology lobotomy the mechanical heart and medical biography as a genre Going beyond a collection of dedicatory essays this volume explores the wider subject of writing social and medical history in Canada in the late twentieth century Bedside Matters Kathryn McPherson,2003-12-15 Nursing embodies the seemingly timeless characteristics of feminine healing caring and nurturing yet this archetypally female vocation also boasts a distinctive and complex history Bedside Matters traces four generations of Canadian nurses to explore changes in who became nurses what work they performed and how they organized to defend their occupational interests Whether in the apprenticeship method of the early twentieth century or in the present day restructuring of hospital work the position of nurses within the health care system has been structured by class gender and ethnic and racial relations Located between the doctors and untrained or subsidiary patient care attendants nurses have struggled to define the boundaries of their occupation vis vis other members of the health care hierarchy even as tensions between bedside and administrative

nurses created divisions within nursing itself Focusing on the daily labours of ordinary nurses McPherson argues that the persisting sex typing of nursing as women s work has meant that gender consistently complicated nursing s easy categorization as either professional or proletariat Combining archival records and oral histories the author shows how nurses in their work activities and social and sexual attitudes sought recognition as skilled workers in the health care system Previously published by Oxford University Press *Community and Frontier* John C. Lehr,2012-05-11 A social and economic history of one of the oldest Ukrainian settlements in Western Canada Established in 1896 the Stuartburn colony was one of the earliest Ukrainian settlements in western Canada Based on an analysis of government records pioneer memoirs and the Ukrainian and English language press *Community and Frontier* is a detailed examination of the social economic and geographical challenges of this unique ethnic community It reveals a complex web of inter ethnic and colonial relationships that created a community that was a far cry from the homogeneous ethnic block settlement feared by the opponents of eastern European immigration Instead ethnic relationships and attitudes transplanted from Europe affected the development of trade within the colony while Ukrainian religious factionalism and the predatory colonial attitudes of mainstream Canadian churches fractured the community and for decades contributed to social dysfunction **Brooklands, Winnipeg. The First 100 Years.** James Castle,2011-12-31 Memory lane type book Local stories about the Village of Brooklands and its development Many local photos and descriptions **A View of the Birdtail** Marion W. Abra,1974 *The Contract Surgeon* Dan O'Brien,2022-02-22 Winner of the Western Heritage Award this beautifully crafted historical novel from one of the West s most popular writers tells the true story of the friendship between Valentine McGillicuddy a young doctor plucked from his prestigious medical career and newly married wife to serve in the army during the Great Sioux War and the fearsome chief Crazy Horse When Crazy Horse finally agrees to surrender to the United States mistrust and treachery on both sides generate further conflict and he is gravely wounded McGillicuddy declares the chief his patient and struggles through a long night to keep his spirit alive Set in the sprawling Great Plains during the most tragic period in its history this tale of bravery justice and love weaves a tapestry of time and events into the account of a single day the last in the life of Crazy Horse to reveal the secrets surrounding America s past **Past and Present of O'Brien and Osceola Counties, Iowa** John Licinius Everett Peck,Otto Hillock Montzheimer,William J. Miller,1914 **Alberta Historical Review** ,1964 National Union Catalog , Includes entries for maps and atlases The Georgia Journal of Medicine and Surgery St. Joseph B. Graham,William Edward Fitch,1900 *Wherever You Go* Cecile Davis Richards,2003-10 More than a century ago a lovely young Georgia aristocrat named Jane Carroll Heard came to the Indian Territory She was the bride of Fred Severs Clinton a handsome blue eyed blond who was part Creek Indian from the village of Red Fork on the Arkansas River Their union was not only a lifetime affair of the heart but an alliance of remarkable talents and abilities which would play a major role in transforming the little frontier village of Tulsey Town I T into a booming mid American city known as The Oil Capital of the

World This is the story of Jane Heard Clinton and of the people and values that molded her character and influenced her life
It is also the story of her life with her beloved Fred and of the city they helped to build at the bend of the Arkansas River
