Community and Frontier John C. Lehr, 2012-05-11 A social and economic history of one of the oldest Ukrainian settlements in Western Canada Established in 1896 the Stuartburn colony was one of the earliest Ukrainian settlements in western Canada Based on an analysis of government records pioneer memoirs and the Ukrainian and English language press *Community and Frontier* is a detailed examination of the social economic and geographical challenges of this unique ethnic community It reveals a complex web of inter ethnic and colonial relationships that created a community that was a far cry from the homogeneous ethnic block settlement feared by the opponents of eastern European immigration Instead ethnic relationships and attitudes transplanted from Europe affected the development of trade within the colony while Ukrainian religious factionalism and the predatory colonial attitudes of mainstream Canadian churches fractured the community and for decades contributed to social dysfunction

Manitoba Medicine Ian Carr, Robert E.

Beamish,1999-11-30 For many Canadians the state of our health care and medical system is at the top of the public agenda By following the growth and development of modern medicine in one Canadian province Manitoba Medicine provides an insight into where our present medical system came from and how it developed Beginning with a description of some early Aboriginal healing practices and of the physicians of the Red River Settlement Manitoba Medicine follows the struggles in the 1870s to establish what would become the first medical college and the first major hospitals in Western Canada It chronicles the fight for public health in the 1920s the development of health insurance and medicare after WWII and medicine s role in fighting the 1950 Winnipeg Flood and the polio epidemic of the late 1950s Manitoba Medicine also provides vivid accounts of many of the individuals who built Manitoba s medical system including early educators like Swale Vincent pioneering women physicians such as Charlotte Ross important researchers like Bruce Chown and colourful private practitioners such as Murrough O Brien *Atlas of Liposuction* Adrien E Aiache,Melvin A Shiffman,2013-04-30 Liposuction is a procedure in cosmetic surgery that breaks up excess body fat which is then removed through a cannula inserted under the skin Atlas of Liposuction is a comprehensive guide to the current techniques for liposuction Beginning with an introduction to the history and set up of the procedure the following chapters discuss liposuction in different parts of the body and post operative management Each procedure is described in a step by step manner detailing incisions positions instruments anaesthesia preoperative care and the actual operative technique Written by highly experienced plastic surgeons from California this exhaustive atlas features nearly 740 full colour photographs and illustrations showing actual clinical cases Key points Comprehensive atlas of liposuction Covers step by step procedures in all parts of the body Features nearly 740 full colour photographs and illustrations of clinical cases Written by highly experienced plastic surgeons based in California *Unqualified Doctors Performing Cosmetic Surgery* United States. Congress. House. Committee on Small Business. Subcommittee on Regulation, Business Opportunities, and Energy,1989 *Bedside Matters* Kathryn McPherson,2003-12-15 Nursing embodies the seemingly timeless characteristics of feminine healing caring and nurturing yet this archetypally female vocation also boasts a distinctive and complex history Bedside Matters traces four generations of Canadian nurses to explore changes in who became nurses what work they performed and how they organized to defend their occupational interests Whether in the apprenticeship method of the early twentieth century or in the present day restructuring of hospital work the position of nurses within the health care system has been structured by class gender and ethnic and racial relations Located between the doctors and untrained or subsidiary patient care attendants nurses have struggled to define the boundaries of their occupation vis vis other members of the health care hierarchy even as tensions between bedside and administrative nurses created divisions within nursing itself Focusing on the daily labours of ordinary nurses McPherson argues that the persisting sex typing of nursing as women s work has meant that gender consistently complicated nursing s easy categorization as either professional or proletariat Combining archival records and oral histories

the author shows how nurses in their work activities and social and sexual attitudes sought recognition as skilled workers in the health care system Previously published by Oxford University Press **A History of Dentistry in Canada** Donald W. Gullett,1971-12-15 Beginning with the earliest records available describing the dental health of the Indians before the arrival of European settlers Dr Gullett gives a detailed and carefully documented history of dentistry in Canada He describes the unscrupulous tramp dentists who roamed the countryside years ago as well as their respectable contemporaries and he traces the development of practice education and professional associations as dentistry developed from an art to a science The author spent five years gathering information for this book from public archives libraries personal interviews and the records of the profession The result is a lively and readable story told with a continuing concern for health services
