Signs of Life Dr. David Jeremiah, 2011-09-12 A tour de force of life on a journey with Jesus By all means take this journey if you can Chuck Colson Founder Prison Fellowship With our society's sometimes unfavorable view of Christians it is all the more important that believers display what Dr David Jeremiah calls signs of life signs that Jesus has transformed us and that we are committed to Him and His kingdom They are signs that ought to be detected from across the street over the fence down the hall throughout the office or in the pews for it's not enough to just talk about Jesus It's also not enough to serve Him in secret with our acts of private devotion We have to display the lifestyle of the Nazarene in the midst of a corrupt and darkened culture In a world starved for love joy peace patience kindness faithfulness honesty relevance and compassion Christians should specialize in exactly those things through public expressions of private faith It's by our smile our compassion in the face of misfortune our friendliness our simple lifestyle our willingness to commit random acts of kindness our social ministries our tears and our words that unbelievers recognize Who we represent Signs of Life will lead you on a journey to a fuller understanding of the marks that identify you as a Christian Signs that will advertise your faith Personal imprints that can impact souls for eternity and help you become a person of influence who radiates relevancy authenticity generosity and compassion every day just like Jesus did
