Ruth Barton, 2004 Ruth Haley Barton invites you to meet God deeply and fully outside the demands and noise of daily life She leads you on a journey toward freedom and authenticity toward becoming the person God created you to be *Solitude & Silence* Jan Johnson, 2003-06-03 Jan Johnson helps you to grow in the disciplines of solitude and silence You will learn how to hear God's voice and allow him to shape not only your times of quiet but also the rest of your daily routine **Exploring the Power of Solo, Silence, and Solitude** Clifford Knapp, Thomas E. Smith, 2005 **Silence and Solitude** Eileen Campbell, 1995 **Silence, Simplicity & Solitude** Rabbi David A. Cooper, 2013-04-18 From the best selling author of *God Is a Verb* the classic spiritual retreat guide that enables anyone to create their own self guided spiritual retreat at home The ancient mystics looked to spiritual retreat as a way of cleansing the body and healing the soul In *Silence Simplicity Solitude* David A Cooper traces the path of the mystics and the practice of spiritual retreat in all the major faith traditions sharing the common techniques and practices of the retreat experience for beginner and advanced meditators alike Cooper shows the way to the self discovery and discipline of the spiritual retreat experience and clearly instructs how to create an effective self guided spiritual retreat in your own home *Silence Simplicity Solitude* teaches that not only is silence a great healer but that inner spiritual retreat can provide life changing insight into deeper spiritual truths **The Uncanny** Nicholas Royle, 2003 This is the first book length study of the uncanny an important concept for contemporary thinking and debate across a range of disciplines and discourses including literature film architecture cultural studies philosophy psychoanalysis and queer theory Much of this importance can be traced back to Freud's essay of 1919 *The uncanny* where he was perhaps the first to foreground the distinctive nature of the uncanny as a feeling of something not simply weird or mysterious but more specifically as something strangely familiar As a concept and a feeling however the uncanny has a complex history going back to at least the Enlightenment Nicholas Royle offers a detailed historical account of the emergence of the uncanny together with a series of close readings of different aspects of the topic Following a major introductory historical and critical overview there are chapters on the death drive d j vu silence solitude and darkness the fear of being buried alive doubles ghosts cannibalism telepathy and madness as well as more applied readings concerned for example with teaching politics film and religion This is a major critical study that will be welcomed by students and academics but will also be of interest to the general reader **Silence and Solitude** Gregory S. McVey, 2020 With relentless distraction and preoccupation the current cultural environment suffers from a certain kind of attention deficit disorder in which individuals are rarely all there People often find themselves going in a hundred directions Without the ability for sustained focus they struggle to remain fully present to the things that matter most This loss of attentiveness can result in a devastating loss of connectedness i e being fully present to what God is doing to the condition of one's self and to how we are connected to others To test this hypothesis silence is introduced using disciplines such as

solitude meditation and spiritual journaling To fulfill the goal of the project Soldiers and Civilians from the United States Army Cyber Command and United States Army Chaplain School and Center completed a seven day devotional including fasting from social media Also surveys and personal interviews were conducted to gain feedback The project concludes the practice of silence solitude journaling and fasting from social media does bring about an increase in spiritual growth and connectedness Leaf 2 *Solitude and Contemplation* Hendrickson,Hendrickson Publishers,2015-09 Through the spiritual practice of solitude and contemplation may this Bible study help awaken your daily life into spiritual wonder **How the Silence and Solitude Can be Reintroduced as the Empowering Tools for Christian Conversion in Today's World** Young Bae Won,2019 Space for God David Runcorn,1990-01-01
