Hollywood Biblical Epics Richard Lindsay, 2015-06-19 This is the only book of its kind to explore biblical epics from an LGBT perspective studying films from the silent era to the postwar major studio era to the present day In spite of restrictive Hollywood censorship regulations filmmakers throughout history have pushed the boundaries of sex and violence when making religious films In this unrivaled text author and educator Richard Lindsay analyzes the relationship between bible based epics and camp films with overwrought acting casts of thousands and exotic sexuality Lindsay presents the ways in which camp style identifies films as biblical in the mainstream imagination while undermining their traditional religious messages through the inclusion of sexually diverse subtexts Viewed through this lens this provocative book explores topics like the Jazz Age excesses of The King of Kings the pre code decadence of The Sign of the Cross the horror movie tropes of The Passion of the Christ and comparisons between Ben Hur and the gay male fantasies of 1960s beefcake magazines Additional content features the history of biblical epics and a comparison of the pious expectations of filmgoers against the real content of the films

Silver Screen, Sacred Story Michael G. Bausch, 2002-12-31 Our culture has undergone a major shift younger generations have less and less interest in the printed word as they become predominantly image oriented In response as congregations increasingly learn to be more sophisticated in using newer electronic technologies they are finding themselves at different places in the quest to understand acquire manage and benefit from the technology boom Worship leaders in congregations already using some electronic media are realizing that they could be doing more with it and are seeking new ideas Congregational leaders scrambling to catch up with a worship committee that has decided it s time for a change aren t sure of the next steps Or maybe there s been a gift to the congregation to be spent on electronics and no one is quite sure how best to use the money Michael Bausch s book grows out of several years of conversation personal experimentation and experience with multimedia worship in one modest sized small town church while also drawing on the experiences and work of other churches learning to use electronic media in worship Bausch balances concern for practical issues such as finances and architecture with attention to theological integrity and the challenges of sustaining media enhanced worship He skillfully shows how the artistic resources of the world around us can enhance our awareness of God s presence in worship

Sanctuary Cinema Terry Lindvall, 2011 Sanctuary Cinema provides the first history of the origins of the Christian film industry Focusing on the early days of film during the silent era it traces the ways in which the Church came to adopt film making as a way of conveying the Christian message to adherents Surprisingly rather than separating themselves from Hollywood or the American entertainment culture early Christian film makers embraced Hollywood cinematic techniques and often populated their films with attractive actors and actresses But they communicated their sectarian message effectively to believers and helped to shape subsequent understandings of the Gospel message which had historically been almost exclusively verbal not communicated through visual media Publisher s Description

[The Full Gospel Assembly \(FGA\) of Washington, DC, 1907-1934](#) Donald W. Kammer, 2024-07-16 The 1906 earthquake of Pentecostalism at the Azusa Street Mission in Los Angeles California sent a jolt to Washington DC during 1906 1907 This

Washington DC shock wave began when a group of women read and acted upon reports in the Azusa Street Mission's Apostolic Faith newspaper. This event resulted in the creation and development of an influential church in the District of Columbia: Full Gospel Assembly. In a well researched examination of a little recognized and nearly forgotten religious community in Washington DC, retired United States Army chaplain Don Kammer explores the church's beginnings as part of the early twentieth century Pentecostal and Charismatic revival. Full Gospel Assembly was an example of an early Pentecostal evangelistic fusion, a common element in today's American evangelical religion. Kammer identifies the challenges, successes, and the impact on the surrounding DC community. As he leads others through FGA's fascinating history, Kammer explains why the story of FGA is important, reflects upon the conflicted definitions of Pentecostal and Charismatic Christianity, describes popular, malign portraits of holy rollers and tongue talkers, tells the tales of meetings on the Electric Street Railway Line, in theaters, in Parlor Houses, identifies denominational influence, and much more. **The Full Gospel Assembly FGA of Washington DC 1907-1934** is a fascinating and comprehensive examination of the neglected history of an early twentieth century revival with ties to the 1906 Azusa Street Mission and revival. **At Pyramid Lake** Bernard Mergen, 2014-04-18

Pyramid Lake is one of the largest lakes in the Great Basin, the terminus of the Truckee River flowing from Lake Tahoe into northern Nevada. This desert oasis with a surface area of nearly two hundred square miles is a unique geological feature and was home to the Paiute for thousands of years before the arrival of explorer John C. Fremont in 1844. For the Paiute, it was a spiritual center that provided life-sustaining resources such as the cui-ui, a fish unique to the lake and now endangered. For the ranchers and farmers who settled on tribal lands, the waters that flowed into it were necessary to raise cattle and crops. Mergen tells how these competing interests have interacted with the lake and with each other from the Paiute War of 1860 to the present. The lake's very existence was threatened by dams and water diversion; it was saved by tribal claims, favorable court decisions, improved water laws, and the rise of environmentalism. **At Pyramid Lake** is about more than Indians and water wars, however. It is the story of railroads on the reservation and the role of federal, state, and private groups interested in sportfishing. It is about scientists, artists, and tourists who were captivated by the lake's beauty. Finally, it is also a story of the lake as a place of spiritual renewal and celebration. Mergen grew up near its shores in the 1940s and returned frequently through the years. In this cultural history, he combines his personal remembrances with other source material, including novels, poetry, newspaper and magazine journalism, unpublished manuscripts, and private conversations, to paint a fascinating portrait of one of Nevada's natural wonders. **Behind the Screen** Spencer Lewerenz, Barbara Nicolosi, 2005-11-01

When it comes to Hollywood, Christians too quickly wash their hands of popular culture and leave this immensely influential media to unbelievers. In truth, the industry is listening. There is a church in Hollywood, but too often their work is unrecognized. **Behind the Screen** offers a glimpse of Hollywood insiders who, through their jobs on movie sets, behind TV shows, and in radio broadcasts, work together to give glory to God. With contributions from the writers and producers of such productions as Joan

of Arcadia Mission Impossible Batman Forever That 70s Show and others believers everywhere are encouraged to join with the church in Hollywood and do their part in closing the gap between Christianity and culture
