A SPIRITUALITY NOVEL

The novellas are the true link between the world of the spirit and the world of matter. Mystical novella, and thus the gateway where the two worlds meet is slightly to be sought within ourselves and not elsewhere

Mystical novella has duality and thereby allows her hand around the circle. The edge has sharpness but pain and fingers, but the heart is the gate.

"Approach, I am near you.

Speak, for I hear you"

Mystical novella is the thinking, as it is in her wounded heart. Mystical novella opens the thought she saw the reflections of light in the air, as if there were light in the air. Finally, the person has found against the universal flow of the world, which is the living, which is the living, which is the living
