the author describes as a biography of an idea it is also an entertaining and informative portrait of the life and work of one of America's most influential wildlife biologists From Lederhosen to Jeans Armin K. Wendt, 2009-12-04 Armin's exodus from the tyranny and destruction of war-torn Germany to the liberating shores of America is a quintessential story of the 20th century He regales the reader with riveting recounts of living through the Allied fire bombings that defeated fascist Germany and the dramatic fight for survival in post-apocalyptic Europe This is an enthralling entertaining read about an immigrant's first impressions of America told with a self-effacing and deprecating sense of humor I heartily recommend the jaunty travails extolled in *From Lederhosen to Jeans A Sweet and Sour Kraut's Journey to America* John Large Ph.D. Asst. Professor University of South Florida From his childhood in war-ravaged Hamburg to success in America Armin Wendt takes us along on many journeys including eluding Russian guards behind the Iron Curtain and encountering banditos in Central America Anything but the stereotypical staid German Wendt describes his adventures lovingly and compassionately often in a humorous way Anecdotes abound throughout making this book a delightful read Gene Cropsey Award Winning Author
