The Sword of Shannara: The Secret of the Sword Terry Brooks, 2012-09-19 He will face the

ultimate battle of dark against light The flame of hope is flickering throughout the Four Lands But thanks to Brona the evil Warlock Lord a cloud of dark magic is sweeping south spreading fear and death Already Brona s savage armies have crushed the forces of the Elves and their king Now nothing stands between them and the fair city of Tyrsis And if Tyrsis falls the whole Southland will follow plunged into an endless night of slavery and worse The Druid Allanon has dispatched Menion the Prince of Leah to aid in the defense of Tyrsis while he himself continues to search for Shea Ohmsford the young half elf who bears the awesome burden of wielding the only weapon capable of destroying Brona the mysterious Sword of Shannara Yet magic of the fabled weapon makes it as dangerous to Shea as it is to the Warlock Lord Now in the very heart of the Dark Lord s domain Shea is about to unlock the deadly secret of the Sword and come face to face with his destiny The Sword of Shannara Part 3 The Secret of the Sword is the newest addition to the Del Rey Imagine program which offers the best in classic fantasy and science fiction for readers 12 and up First King of Shannara Terry Brooks,2000-10-10 BONUS This edition contains an excerpt from Terry Brooks s The Measure of the Magic Horrified by the misuse of magic they had witnessed during the First War of the Races the Druids at Paranor devoted themselves to the study of the old sciences from the period before the collapse of civilization a thousand years before Only the Bremen and a few trusted associates still studied the arcane arts And for his persistence Bremen found himself outcast avoided by all but the few free thinkers among the Druids But his removal from Paranor was not altogether a terrible thing for Bremen learned that dark forces were on the move from the Northlands That seemingly invincible armies of trolls were fast conquering all that lay to their south That the scouts for the army and its principal assassins were Skull Bearers disfigured and transformed Druids who had fallen prey to the seductions of the magic arts And that at the heart of the evil tide was an archmage and former Druid named Brona Using the special skills he had acquired through his own study of Magic Bremen was able to penetrate the huge camp of the Troll army and learn many of its secrets And he immediately understood that if the peoples of the Four Lands were to escape eternal subjugation they would need to unite But even united they would need a weapon something so powerful that the evil magic of Brona the Warlock Lord would fail before its might High Druid of Shannara: Straken Terry Brooks,2007-08-28 The High Druid of Shannara trilogy draws to a thrilling close as a young hero nears completion of his trial by fire a banished ruler fights for her life in a wilderness of dread and forces of darkness and light square off in a battle unto death for the right to absolute rule Prepare to be spellbound by the masterly hand of bestselling legend weaver Terry Brooks conjuring at the peak of his skills For reasons known only to himself the King of the Silver River has charged young Penderrin Ohmsford barely more than a boy with the daunting task of rescuing his aunt Gianne Ard Rhys of the Druid order from her forced exile in the terrifying dimension of all things damned the Forbidding With the noble dwarf Tagwen and the prodigal elven princess Khyber Elessedil by his side and with the outcome of the bloody war between the Federation and the Free born at stake Pen has accepted his mission without question But not without risk or sacrifice Because Shadea a Ru the ruthless Druid

responsible for imprisoning the true Ard Rhys and usurping leadership at Paranor has sent her agents and assassins in relentless pursuit of Pen and his comrades And in securing the talisman he needs to breach the Forbidding Pen has paid a devastating price Now if the Free born forces already decimated by the Federation's death dealing new weapon should fall Shadea's domination of the Four Lands will be assured Nothing short of Pen's success can turn the tide But Pen's challenge grows greater when he learns that his parents Bek Ohmsford and Rue Meridian have fallen into Shadea's hands He must try to help them but once within the walls of Druid's Keep where Shadea's minions and dark magic lurk at every turn Pen's survival is far from assured Yet it will all pale in comparison to the horrors that wait inside the Forbidding horrors poised to break free upon the Four Lands when the time is right
