Magistrates Decision Making In Child Protection Cases:

Magistrates' Decision-Making in Child Protection Cases Rosemary Sheehan, 2018-02-06 This title was first published in 2001 Making decisions about the care and protection of children who appear before the courts is complex Attention must be paid to the best interests of the child the child's need for their family community views on parenting and concern about welfare intrusion into family life Magistrates have a unique authority to make or reject child protection orders yet the criteria they use to decide a protection order how they understand the information presented to them in court and the factors that influence their discretion and decision making have until now been little known Presenting the findings of a study undertaken at Melbourne Children's Court this book offers a much needed investigation of how magistrates actually make child protection decisions Case examples highlight this decision making and the book thus offers practical assistance to professionals working with children in the legal process Decision-Making and Judgment in Child Welfare and Protection

John D. Fluke, Mónica López López, Rami Benbenishty, Erik J. Knorth, Donald J. Baumann, 2020-07-17 Professionals in child welfare and protection are often required to make decisions fraught with many difficulties and shortcomings that have crucial implications for children and families There are many indications that these decisions are frequently unreliable and involve unavoidable errors in judgement due to the uncertainties This book applies much needed insights gleaned from the fields of business and behavioral economics to child welfare practice bridging a critical gap in the child welfare and protection research agenda Australia's Children's Courts Today and Tomorrow Rosemary Sheehan, Allan

Borowski, 2013-04-05 The Children's Court is one of society's most important social institutions At the same time it is steeped in controversy This is in large measure due to the persistence and complexity of the problems with which it deals namely juvenile crime and child abuse and neglect Despite the importance of the Children's Court as a means of holding young people accountable for their anti social behaviour and parents for the care of their children it has not been the subject of close study Certainly it has not been previously studied nationally This book an edited collection is based on the findings of study that spanned the six States and two Territories of Australia The study sought to examine the current challenges faced by the Children's Court and to identify desirable and feasible directions for reform in each State and Territory A further unique feature of this study is that it canvassed the views of judges and magistrates who preside over this court **EU**

Criminal Justice, Financial & Economic Crime Marc Cools, 2011 This fifth volume of the Governance of Security GofS Research Paper series addresses a wide variety of topical issues focusing on European criminal justice and financial and economic crime The first cluster of articles is concerned with European criminal justice matters particularly relating to EU mutual recognition such as conceptualization unwanted effects in the context of prisoner transfer and sentence execution impact for cross border gathering and use of forensic expert evidence and interrogational fairness standards A second cluster of articles addresses the subjects of financial and economic crime ranging from informal economy among street

children to formal informal economy vulnerability of the hotel and catering industry to crime and white collar crime phenomena like transnational environmental crime and corruption A final cluster groups together a variety of selected topical issues including juvenile offending and mental disorders desistance theories and sexually transmitted infections

Oxford Handbook of Child Protection Systems Jill Duerr Berrick, Neil Gilbert, Marit Skivenes, 2023 This Handbook describes the ways in which 50 countries from every continent except Antarctica have devised measures to protect children from maltreatment and exploitation The Handbook discusses the legislative responses public administrative systems and the social service networks that governments utilize to secure children's safety Synthesizing data from across the world the authors suggest a global typology of child protection systems for understanding the diversity of service responses

Child Abuse and Family Law Thea Brown, 2020-07-28 I have no doubt that this book will become an invaluable tool for family and children's court judges and magistrates psychiatrists psychologists social workers police and the many other professionals who work in this field The Honourable Alastair Nicholson former Chief Justice of the Family Court of Australia A ground breaking comprehensive honest well researched and courageous book that should be essential

reading for all politicians and professionals involved in both the Family Court of Australia and state child protection systems

Emeritus Professor Freda Briggs AO Child abuse in the context of parental separation and divorce is not a malicious allegation nor a misunderstanding It is a real and growing problem with very young children as the primary victims Child Abuse and Family Law draws on pioneering research to identify the causes features and impact of child abuse in parental separation and divorce The authors argue that professionals working with these families need to better understand the specific and often severe nature of this abuse to improve outcomes for both the children and their families The authors develop a much needed practice framework for all socio legal professionals involved in the family law system Using case studies they take a multi disciplinary approach to outline strategies for family lawyers child legal representatives social workers child protection workers psychologists psychiatrists health workers and teachers

Beliefs and Expectancies in Legal Decision Making Bradley D. McAuliff, Brian H. Bornstein, 2016-02-26 Beliefs and expectancies influence our everyday thoughts feelings and actions These attributes make a closer examination of beliefs and expectancies worthwhile in any context but particularly so within the high stakes arena of the legal system Whether the decision maker is a police officer assessing the truthfulness of an alibi a juror evaluating the accuracy of an eyewitness identification an attorney arguing a case involving a juvenile offender or a judge deciding whether to terminate parental rights these decisions matter and without doubt are influenced by beliefs and expectancies This volume is comprised of research on beliefs and expectancies regarding alibis children's behaviour while testifying eyewitness testimony confessions sexual assault victims judges decisions in child protection cases and attorneys beliefs about jurors perceptions of juvenile offender culpability Areas for future research are identified and readers are encouraged to discover new ways that beliefs and expectancies operate in the legal system This book was originally published as a special issue of Psychology Crime Law
