Maids and Madams Jacklyn Cock,1982-06-01 *Maids and Madams* Jacklyn Cock,1984 *European Women and the Second British Empire* Margaret Strobel,1991 It enhances our understanding of intracultural and cross cultural relationships and raises significant questions about the complexities of the colonial phenomenon in the modern era *Journal of World History*

Gender Security And International Politics DR. AURORA MARTIN ,DR. NANDINI BASISTHA ,2023-09-03 This book contains thirty three Best Paper Award winning articles presented in the IIHSG International Conference 2021 on Gender Security and Global Politics organised by Interdisciplinary Institute of Human Security Gender Security and Law Gender Security and Governance Gender Security Gender Security Gender Security and Sustainable Development Non Governmental Gender Security Measures Global Agencies for Gender Security Global Parameters for Gender Security Gender Security in Domestic Sphere Child Security Threats Recent Trends and Gender Security and Pandemic Recent Trends I hope that this collection of essays can become a benchmark for the future as well as spur new research agendas and projects that will put the region into a much needed conversation on the recent trends of gender security in world politics The volume is essential reading for social scientists bureaucrats and non governmental political activists interested in gender security It will also appeal to public policy analysts and scholars who have yet to adopt the contribution of critical security and development studies in the analysis of different dimensions of gender security *Lesotho* John E. Bardill,2019-03-04 In this book the authors outline the features that make Lesotho unique tracing its history and discussing the peculiar structure of Lesotho s labor reserve economy and the effects it has on development politics society and culture

Responsibility, Privileged Irresponsibility and Response-ability Vivienne Bozalek,Michalinos Zembylas,2023-07-23 This book uses the overlapping approaches of political care ethics and feminist posthumanism as a lens to focus on the notions of privileged irresponsibility responsibility and response ability within the context of higher education and as it pertains to the issues of colonialism decolonisation pandemics and the climate crisis The book will appeal to scholars in the field of higher education as well as to those in several other fields such as ecology gender studies sociology philosophy and political science *Home economics* Sacha Hepburn,2022-08-16 Domestic service has long been one of the largest forms of urban employment across southern Africa Home economics provides the first comprehensive history of this essential sector in the decades following independence and the end of apartheid Focusing on Lusaka and drawing wider comparisons the book traces how Black workers and employers adapted existing models of domestic service as part of broader responses to changing gendered employment patterns economic decline and endemic poverty It reveals how kin based domestic service gradually displaced wage labour and how women and girl workers came to dominate kin based and waged domestic service with profound consequences for labour regulation and worker organising Theoretically innovative and empirically rich the book provides essential insights into debates about gender work and urban economies that are critical to understanding southern Africa s

post colonial and post apartheid history **Care Ethics and Political Theory** Daniel Engster, Maurice Hamington, 2015
 Care Ethics and Political Theory brings together new chapters on the nature of care ethics and its implications for politics from some of the most important philosophers working in the field today Chapters take up long standing questions about the relationship between care and justice and develop guidelines for the development of a care based justice theory Care ethics is further applied to issues such as security privacy law and health care where little work has been previously done By bringing care ethics into conversation with non Western and subaltern cultures the contributing authors further show how care ethics can guide and learn from other traditions A final set of chapters uses care ethics to challenge dominant moral and political paradigms and offer an alternative foundation for future moral and political theory The book as a whole makes the case for care ethics as an equal or superior approach to morality and politics compared with liberalism luck egalitarianism libertarianism the capabilities approach communitarianism and other political theories The volume includes many of the leading care scholars in the world today engaging in both theoretical and applied discussions of this burgeoning field of study Ultimately Care Ethics and Political Theory endeavors to find realistic methods and ways of thinking to create a more caring world *Labour Market Theory* Ben Fine, 2002-09-11 This book is a commanding assessment of labour market theory across the social sciences It provides a radically original critique of labour market theory which draws constructively but critically on existing literature The work contributes to the debates on key issues in labour economics such as unemployment gender equal pay and the minimum theory illustrates the policy implications in empirical studies supplements existing orthodox labour market theory texts **The Institutionalisation of Disaster Risk Reduction** Gideon van Riet, 2016-12-01 The past three decades have seen a global shift in disaster management from an event driven response to a could be risk management approach Disaster risk reduction DRR has become entrenched as a dominant paradigm within the field of disaster management More than a decade after adopting DRR legislation in South Africa there remains a dearth of evidence that this has translated into substantive action This book examines the institutionalisation of DRR in South Africa conceived of as a political economy of knowledge production Using a critical theory approach the book does not consider why DRR is failing but instead asks why DRR As such it explores possibilities beyond DRR s narrow optic and offers new insights into disaster management through the lens of South Africa This is valuable reading for graduate students and academics working in disaster studies geography public policy and development post development studies as well as policy makers
