distillation of McCloskey's magisterial work *Leave Me Alone and I'll Make You Rich* is what you've been waiting for. In this lively volume McCloskey and the economist and journalist Art Carden bring together the trilogy's key ideas and its most provocative arguments. The rise of the west and now the rest is the story of the rise of ordinary people to a dignity and liberty inspiring them to have a go. The outcome was an explosion of innovation after 1800 and a rise of real income by an astounding 3 000 percent. The Great Enrichment well beyond the conventional Industrial Revolution did not, McCloskey and Carden show, come from the usual suspects: capital accumulation or class struggle. It came from the idea of economic liberty in Holland and the Anglosphere, then Sweden and Japan, then Italy and Israel and China and India, an idea that bids fair in the next few generations to raise up the wretched of the earth. The original shift to liberalism arose from 1517 to 1789 from theological and political revolutions in northwest Europe upending ancient hierarchies. McCloskey and Carden contend further that liberalism and innovism made us better humans as well as richer ones. Not matter but ideas. Not corruption but improvement. *Leave Me Alone and I'll Make You Rich* draws in entertaining fashion on history, economics, literature, philosophy and popular culture from growth theory to the Simpsons. It is the perfect introduction for a broad audience to McCloskey's influential explanation of how we got rich. At a time when confidence in the economic system is under challenge, this book mounts an optimistic and persuasive defense of liberal innovism and of the modern world it has wrought. Praise for the *Bourgeois Era Trilogy*: A contender for the great book of our age. *The Times Book of the Week*. Persuasive, richly detailed and erudite. *Financial Times*. *The Gift of Administration* Donald Senior, 2016. In his First Letter to the Corinthians, Paul cites administrators as one of God's gifts to the Christian community. 1 Cor 12:28. But many who serve in administrative service today have difficulty seeing how their everyday work is an expression of discipleship. This book, written by an experienced administrator and noted biblical scholar, shows how the various functions of institutional administration are deeply rooted in the Scriptures and are a genuine expression of our call to discipleship. Leadership, mission statements and planning, finances and fund raising, personnel issues, communications and public relations: all of these seemingly secular activities serve to build up the Body of Christ and deserve to be recognized as authentic Christian ministry. To see administrative service as a biblically rooted gift can help those involved in this way of life to find deeper and more satisfying spiritual meaning in what they do. **The Online Millionaire** Amy Joyner, 2016-05-03.
