Main Trends in History Geoffrey Barraclough, 1991 Main Trends in History Geoffrey Barraclough, 1978 **Main Trends in Cultural History** Willem Melching, Wyger Velema, 1994 Main Trends in History Main Trends of Research in the Social and Human Sciences Geoffrey Barraclough, 1979 *Global History in China* Xin Fan, 2024-06-30 This book explores global history as an emerging field of scholarly studies in China today Readers are invited to rethink the origin of global history in China and to examine its current state Chinese scholarship is rooted in a warm appreciation of globalization in the age of Opening up and Reform and presented as a trendy transnational intellectual movement at the opening of the twenty first century On the one hand global history claims an identity of the new eager to criticize the Eurocentric bias embedded in the narratives of the old ones from world history on the other hand as an emerging field it is yet to face competitions from national histories and area studies which are nurtured by latest state initiatives with outspoken political agendas As a whole global history captures Chinese scholars tenacious interest in studying globalization through the lens of history This book will interest historians China scholars and those trying to grasp the Chinese perspective on the world

Making History Peter Lambert, Phillipp Schofield, 2004-08-02 Making History offers a fresh perspective on the study of the past It is an exhaustive exploration of the practice of history historical traditions and the theories that surround them Discussing the development and growth of history as a discipline and of the profession of the historian the book encompasses a huge diversity of influences organized around the following themes the professionalization of the discipline the most significant movements in historical scholarship in the last century including the Annales School the increasing interdisciplinary trends in scholarship theory in historical practice including Marxism post modernism and gender history historical practice outside the academy The volume offers a coherent set of chapters to support undergraduates postgraduates and others interested in the historical processes that have shaped the discipline of history **Marxism and Historiography** Paolo Favilli, 2021-10-22 Eminent Italian historian Giovanni Levi once notably remarked that no one is a Marxist anymore pointing to a paradox in Italian cultural history While what is called Marxism was supposedly hegemonic over Italian culture and especially history writing for decades in the postwar period it then seems to have suddenly disappeared This study questions such a vision of a monolithic and hegemonic Marxism It starts from the most effective anecdote to all ideologising narratives that is research into the texts themselves It sees the Marxist historiography of the post 1945 period as a history in the making in which references to Marxian theory were a fundamental factor driving historiographical innovation This allows the book to bring to light a highly original experience in the development of historiography based on the long Italian tradition of reflection on historical knowledge **A Global History of Modern Historiography** Georg G Iggers, Q. Edward Wang, Supriya Mukherjee, 2013-09-13 So far histories of historiography have concentrated almost exclusively on the West This is the first book to offer a history of modern historiography from a global

perspective Tracing the transformation of historical writings over the past two and half centuries the book portrays the transformation of historical writings under the effect of professionalization which served as a model not only for Western but also for much of non Western historical studies At the same time it critically examines the reactions in post modern and post colonial thought to established conceptions of scientific historiography A main theme of the book is how historians in the non Western world not only adopted or adapted Western ideas but also explored different approaches rooted in their own cultures

Global History with Chinese Characteristics Manuel Perez-Garcia,2020-11-02 This open access book considers a pivotal era in Chinese history from a global perspective This book s insight into Chinese and international history offers timely and challenging perspectives on initiatives like Chinese characteristics The New Silk Road and One Belt One Road in broad historical context Global History with Chinese Characteristics analyses the feeble state capacity of Qing China questioning the so called High Qing sh ng q ng era s economic prosperity as the political system was set into a power paradox or supremacy dilemma This is a new thesis introduced by the author demonstrating that interventionist states entail weak governance Macao and Marseille as a new case study aims to compare Mediterranean and South China markets to provide new insights into both modern eras rising trade networks non official institutions and interventionist impulses of autocratic states such as China s Qing and Spain s Bourbon empires

Contemporary Studies on Modern Chinese History Zeng Yeying,2021-03-15 The study of modern Chinese history has developed rapidly in recent decades and has seen increased exploration of new topics and innovative approaches Resulting from a special issue of Modern Chinese History Studies this set is devoted to showcasing the healthy development of Chinese modern history studies and has already been revised twice in the original language This three volume set exhibits major achievements on the study of modern Chinese history and shows how the role of history was in debate transformation and re evaluation throughout this tortuous yet prosperous period Articles on 23 different topics are collected from over 30 prominent historians in order to represent their insights on the developmental paths of Chinese historical studies Drawing on a large number of case studies of critical historical events that contribute to the establishment of the People s Republic of China this set offers a panoramic view on the studies of modern Chinese history In addition it incorporates more pioneering topics such as intellectual history cultural history and translations of overseas studies on contemporary Chinese history This set will be a valuable reference for scholars and students of Chinese history
