Mainstreaming Ideas For Teaching Young Children:

Mainstreaming Judith Souweine, Sheila Crimmins, Carolyn Mazel, 1981 Strategies for Teaching Young Children Judith A. Schickedanz, 1990 **Competencies** Mary Kasindorf, 1990-12 Everyone in the field of Early childhood Education should be aware of what constitutes a good early childhood education program Although each individual will work with children in their own way there is a common basis of competency that should be expected of all teachers Competencies is divided into six competency areas and 13 functional areas of competence as identified by the CDA National Credentialing Program for center based teachers of your children As you work through the learning activities developing curriculum materials bibliographies observational records etc you will be developing materials which can also be used in assembling your portfolio and documenting your competence for the CDA credential You can also use Competencies as a guide in self study and training recording teacher activities reading resources and utilizing activities designed to determine the areas and methods in which you feel you are functioning effectively or those that you may wish to change or improve **Young Children**, 1993 *Becoming a Teacher of Young Children* Margaret Lay-Dopyera, John E. Dopyera, 1987 Resources in Education, 1998-07 **Teaching Young Second Language Learners** Rhonda Oliver, Bich Nguyen, 2018-06-12 Adopting a learner centred approach that places an emphasis on hands on child SL methodology this book illustrates the practices used to teach young second language learners in different classroom contexts 1 English as an Additional Language or Dialect EAL D both intensive EAL D and EAL D in the mainstream 2 Language Other Than English LOTE 3 Content and Language Integrated Learning CLIL 4 Indigenous 5 Foreign Language FL It will be particularly useful to undergraduate teachers to build upon the literacy unit they undertake in the first years of their course to explore factors that constitute an effective child SL classroom and in practical terms how to develop such a classroom The pedagogical strategies for teaching young language learners in the six chapters are firmly guided by research based findings enabling not only pre service teachers but also experienced teachers to make informed choices of how to effectively facilitate the development of the target language empowering them to assume an active and effective role of classroom practitioners **Adapting Early Childhood Curricula for Children in Inclusive Settings** Ruth E. Cook, Annette Tessier, M. Diane Klein, 1996 This comprehensive book takes a non categorical approach to preparing future early childhood teachers to help infants and young children with disabilities meet their challenges and develop to their fullest potential The result is a versatile and compelling resource of field experience Coverage is organized around four themes how all young children learn children in the context of their family traditional developmental domains and the need to take a synthesized view of the whole child Dozens of developmentally appropriate activity based strategies for adapting curriculum to suit both children and their families are provided in every chapter For future early childhood education teachers who will work with exceptional children and need to focus on special needs rather than special labels **Resources for Early Childhood Training** Michele Porzel, 1987

Inclusive Education Lissa A. Power-deFur, Fred P. Orelove, 1997 A comprehensive look at inclusion this book provides success stories by administrators and teachers who have found that inclusion is the best way to meet the least restrictive environment needs of their students Complete with checklists in service materials and pre and post evaluation methods this detailed guide will help you meet student needs in a way that complements the educational fiscal and legal outlooks as well as the attitudes of your school division
