Maisy Goes To Work:

Maisy Goes to Work Lucy Cousins, 2002 Absorbing and fun sticker books featuring the world's favourite little mouse. Anyone who is crazy for Maisy will love these colourful sticker books. Spend the day having fun on the beach with Maisy and her friends. Help them find seashells, dig sandcastles, sail their toy boats and put on their sun hats. Or join them working feeding lambs and chickens on the farm, diving for treasure in the sea or baking cakes in the kitchen. Match the stickers to the pictures for some great beach and activity fun with Maisy and her friends. Children's Books and Their Creators Anita Silvey, 1995 Unique in its coverage of contemporary American children's literature, this timely single volume reference covers the books our children are or should be reading now, from board books to young adult novels. Enriched with dozens of color illustrations and the voices of authors and illustrators themselves, it is a cornucopia of delight. 23 color, 153 b/w illustrations.

Mine Boy Peter Abrahams, 2022-11-29 One of my all-time favourite novels. Tsitsi Dangarembga. The first African novel in English to draw international attention. New York Times. The forerunner of an entire school of African literary art. Sunday Times. And the black man and the white were like two men alone in the world. Xuma will never forget the day he arrived in the Johannesburg slums, the charismatic woman who takes him in, the brutal police raids, the fights, friendships, dancing, drinking and romances, yet it soon feels like home. But when he becomes a leader in the city's gold mines, he is shocked by the racist treatment of the labourers. And as he begins to question whether man could be without colour, Xuma stages an act of defiance that changes his life forever. In 1946 Peter Abrahams' classic novel *Mine Boy* exposed South Africa's fledgling racial apartheid system and townships to the world, and its wisdom, vividness and political power endures to this day. What readers are saying: Beautiful, memorable characters I've remembered since my childhood. These are the kind of stories that make the world better for having been written. A seminal work of African fiction. Prose as unadorned as Solzhenitsyn or Hemingway. I can still recall Xuma almost 20 years later. A beautiful book. An unsung gem, amazing. Its simplicity makes the story such a dramatic tale.
