

JOIN THE
JACK FINNEY
FAN CLUB

(if you are not already a member) with this new, deliciously funny, fantastically exciting and nostalgic adventure story.

MARION'S WALL

It carries on in the tradition of the great storyteller that Finney has established with such marvelous yarns as

Five Against the House

The Bodysnatchers

House of Numbers

The Third Level

Assault on a Queen

I Love Galesburg in the Springtime

Good Neighbor Sam

The Woodrow Wilson Dime

Time and Again

Almost all of them have been made into movies, but reading Finney is too enjoyable an experience for you to settle for "I didn't read the book, but I saw the movie." They are all classics of entertainment, and here is a new one to delight his old fans and win new members to the club.

Radical Theatrics Craig J. Peariso,2014-12-01 From burning draft cards to staging nude protests much left wing political activism in 1960s America was distinguished by deliberate outrageousness This theatrical activism aimed at the mass media and practiced by Abbie Hoffman and the Yippies the Black Panthers and the Gay Activists Alliance among others is often dismissed as naive and out of touch or criticized for tactics condemned as silly and off putting to the general public In *Radical Theatrics* however Craig Peariso argues that these over the top antics were far more than just the spontaneous actions of a self indulgent radical impulse Instead he shows they were well considered aesthetic and political responses to a jaded cultural climate in which an unreflective tolerance masked an unwillingness to engage with challenging ideas Through innovative analysis that links political protest to the art of contemporaries such as Andy Warhol Peariso reveals how the put on the signature activist performance of the radical left ended up becoming a valuable American political practice one that continues to influence contemporary radical movements such as Occupy Wall Street *Catalog of Copyright Entries.
