Mark Of The Werewolf:

Mark of the Werewolf Jeffrey Sackett, 1990-01-01 A neofascist group seeks to tap into the immortality of Janus Kaldy a man werewolf condemned to an eternity of killing in order to breed a race of hatemongers impervious to death **The Mark of the Wolf** JS Groves, 2018-01-17 When a Margaret is attacked by what she believes to be a werewolf her life is turned upside down Confused and afraid the only people she feels safe going to for help are the strange goth kids that everyone says are witches Dominic and Aaron are Pagans not fools and smell a trap But Jacob insists they take her seriously When they agree to help her they and all their friends are swiftly drawn into a larger world of monsters and magic more dangerous than they had ever suspected was real *Kissed the Mark* Lila Gwynn, 2022-01-28 A fairy bounty hunter stumbles into a vampire conspiracy and gets more than she bargained for Olympia Carter is the fourth best bounty hunter in the supernatural town of Mayfair Missouri which isn't exactly an accomplishment she's proud to take home to her Unseelie fairy parents Enter Leandra a vampire who's high up on the vampire food chain She has a proposition for Olympia that could make her a ton of money if the target is even real And if it isn't what is Leandra plotting This F F fairy vampire urban fantasy is the first in a new trilogy by indie author Lila Gwynn **The Mark of Amulii** Aeron Dusk, 2021-11-20 Alexander Hunt holds onto two secrets both could ruin his life but one could end it The sudden move from Calgary Alberta to the outskirts of Jasper during his senior year leaves Alex isolated in a cabin with bickering parents He copes by taking daily hikes along the shores of Maligne Lake until he meets a young man named Amulii He's huge unkempt and speaks broken English but there's something else uncanny about him Alex can't quite place What starts as a frightening first encounter escalates the moment Amulii gives Alex a strange gift and reveals there's something much wilder about him than meets the eye Unbeknownst to Alex this sets off a series of devastating events that sends both of them fleeing from an aggressive well armed militia in the forest As Amulii and Alex escape into the mountains their bond strengthens as they learn from one another and what was once distrust evolves into something much deeper Despite that there are only two questions burning Alex's waking thoughts as they traverse the harsh wilds of western Alberta waiting for salvation will he be caught and killed or will he lose the rest of his humanity to Amulii's mistake **The Alpha's Soulmate** Raven Hart, 2025-06-09 In a world where mythical creatures rule humans are nothing more than slaves subjugated powerless and without rights They live in the shadows bound by the whims of their supernatural masters The only glimmer of hope in this oppressive world is the belief that someday they might become the soul mate of one of these creatures But not her She has always despised the very thought of mythical beings especially werewolves the monsters who are both feared and revered in equal measure Every bone in her body rejects the idea that she could ever be connected to one of them To her they are nothing but predators their power and cruelty leaving nothing but destruction in their wake The idea of being anyone's soul mate let alone a werewolf's is a notion that repulses her But fate has a twisted sense of humor When she discovers that she is in fact the soul mate of one of these so called

monsters everything she thought she knew about the world and herself shatters To make matters worse the werewolf she s destined for isn t just any creature he s the Alpha the most powerful and feared leader in the region He holds dominion over not just werewolves but all the mythical creatures who have long held sway over humanity Now she is caught in a battle she never asked for Her hatred for these creatures is torn apart by the undeniable bond growing between them a bond that calls to her soul even as it repels her heart She s faced with a choice reject the mate bond and risk everything her life her freedom and her very identity or embrace it and become the Alpha s mate in a world where power and control reign supreme Will she overcome her deep seated hatred and accept the truth of her soul s connection to the very monster she s spent her life despising Or will the weight of the bond prove too much tearing her apart in ways she never imagined

The Girl's Guide to Werewolves Barb Karg,2009-08-18 The good news is He s tall dark and handsome The bad news is He s short tempered a bit hairy and has a tendency to howl at the full moon Which makes bringing him home to meet mom and dad a bit difficult How do you expect him to meet the family when he s shedding on the furniture and sharpening his nails Will he have more in common with the family dog than you Will he leave you for a hairy hottie No worries in this guide you will learn everything you need to know about these wild boys including How to spot a werewolf What to do when he changes shape How to avoid his animalistic mood swings How to destroy the savage beast before he destroys you The best and worst werewolf books and films With this book all ladies in love with lycanthropes learn how to tame their creatures of the night

The Mark of Perillius Atonus L. Perry,2011-05 SINEXIA is a bastard world that never should have existed Its birth was an accident Born of war and anointed with savagery its lands were conquered by magicians monsters and creatures that some would revere as gods or demons Just as Earth holds Sinexia s Origin Sinexia holds the fate of the Earth The Sinexia series chronicles the events that bind Earth and Sinexia Read them and become engrossed in the tales of honor love despair and action that cycle in a ring of creation and cataclysm The Mark of Perillius follows the adventures of a young orphan who inherits the powers and abilities of his fabled ancestor He is taken from the only normalcy he has ever known and tossed into a world of mystery and magic Once there he must learn to master his newfound abilities while encountering a host of rich characters places of wonder and dire situations The orphan s name is Emberillius He begins his journey as a sixteen year old young boy He must spend nine long years in Sinexia if he is to have any chance at all of saving the Earth from an impending catastrophe It is during this time that he learns about love war hate responsibility life death good evil and sacrifice as he matures into a man Through the trials of life an orphan is forged into a hero

ATONUS L PERRY has always been fascinated with tales of fantasy and wonder Being the son of a librarian he spent many of his weekends and summers reading books The only thing he loved more than reading was indulging in creative writing As he matured he began to take an interest in Japanese animation comic books and role playing video games After immersing himself in the media storylines he loved so much he discovered that there was not enough action in most of the stories he loved So he vowed to one day write a story that was not

lacking in action One day after an assignment in one of his college English classes called for an outline of an epic adventure he made good on that vow and began writing stories that deliver page turning action He writes for the people who feel dissatisfied with the stories they love so much Atonus L Perry lives in Shreveport Louisiana with his son Isaiah Alexander Perry

The Black Diamond and the Mark from the Source T-Pot,2021-11-17 The Potent Four begin their junior year at Word University still reeling from their encounter with Evelindrith but there s no rest for the Wickons The boys powers start to uncontrollably swap causing much consternation amongst the group A tricky fellow shows up on their doorstep to deliver a dose of bad news The exorcism of the demon caused a fracture in the very nature of magic itself that only they can fix Can they trust this mysterious new player While this is going on Omar begins to distance himself from the brotherhood What or who is behind this new direction And will the Potent Four be able to overcome the mounting complications in their lives to heal the rift in magic using each other s powers It s a supernatural switcheroo with only the world at stake **Mark**
