This is her incredible football journey to the 2023 FIFA World Cup and beyond from making the switch to soccer to becoming one of the best female strikers in the world. Sam gives us insights into what keeps her motivated how she handles the pressures of life as a professional athlete and what she believes is really important in life. Matildas Fiona Crawford, 2024-11-05 The 2023 Women's World Cup semi final gripped Australia in a way that few sporting events have achieved. On any level it was transformative capturing the highest TV audience since records began. It was hard on the back of the Matildas nail biting quarter final which ended in the longest penalty shootout in World Cup history. To chronicle the Matildas euphoric World Cup rise Fiona Crawford draws on interviews with players administrators sponsors and fans skilfully unpicking questions of gender human rights race and women's sports. The Rise of the Matildas highlights the astonishing impact of one team's determination to leave the game in a better place. **Matilda Effect** Fiona

Crawford, 2023-05-30 The Matilda Effect is the exciting inspiring sometimes infuriating and always colourful story of the Australian women's football soccer team the Matildas and their ultimately successful struggle alongside other women from around the world to compete in World Cup football. From the 1980s when women had to pay to participate in the pilot Women's World Cup to 2019 when the principle of equal pay for women players was finally accepted amid surging interest in their game the voices of key figures emerge. A book at once about and not about sport and with a throughline of human rights and gender equality history. The Matilda Effect takes the reader out of the stands and onto the pitch into the team's hotels buses boardrooms and social media universe where positive change has been wrestled into being. **The Immortals of**

Australian Soccer Lucas Radbourne, 2022-12-09 The Immortals of Australian Soccer celebrates the greatest players from the round ball game to form a best of the best XI from our country's storied past. It takes the Immortals concept made famous elsewhere in the sporting world and applies it to soccer. Football journalist Lucas Radbourne selects his team of 11 Immortals and delves into the careers of icons Johnny Warren Craig Johnston Tim Cahill Sam Kerr and others. These are heroes who are not just high achievers but influential identities who set a new benchmark and changed the game forever. The book tells the remarkable stories behind each Immortal's rise from the pioneers to modern day mainstream heroes Socceroos Matildas and other controversial Australian footballers.
