Minimal writing Stephens writes can be beguilingly simple on the surface but can also offer iterative reading experiences on multiple levels from the fleeting to the ponderous absence of clutter for example the entire text of a poem by Robert Grenier is both expressive and self descriptive Stephens first sets out a theoretical framework for reading and viewing minimal writing and then offers close readings of works of minimal writing by Saroyan Grenier Norman Pritchard Natalie Czech and others He reverse engineers recent works by Jen Bervin Craig Dworkin and Christian B k that draw on molecular biology and explores print on demand books by Holly Melgard code poetry by Nick Montfort Twitter based work by Allison Parrish and the use of Instagram by Hans Ulrich Obrist and Saroyan Text it seems is becoming ever more prevalent in visual art meanwhile poems are getting shorter When reading has become scanning a screen and writing tapping out a text absence of clutter invites us to reflect on how we read see and pay attention

Freedom Time Anthony Reed, 2014-12-01 Experimental poetry and prose by black writers rejects traditional interpretations of social protest and identity formation to reveal radical new ways of perceiving the world Winner 2016 William Sanders Scarborough Prize Modern Language Association Standard literary criticism tends to either ignore or downplay the unorthodox tradition of black experimental writing that emerged in the wake of protests against colonization and Jim Crow era segregation Histories of African American literature likewise have a hard time accounting for the distinctiveness of experimental writing which is part of a general shift in emphasis among black writers away from appeals for social recognition or raising consciousness In *Freedom Time* Anthony Reed offers a theoretical reading of black experimental writing that presents the term both as a profound literary development and as a concept for analyzing how writing challenges us to rethink the relationships between race and literary techniques Through extended analyses of works by African American and Afro Caribbean writers including N H Pritchard Suzan Lori Parks NourbeSe Philip Kamau Brathwaite Claudia Rankine Douglas Kearney Harryette Mullen and

Nathaniel Mackey Reed develops a new sense of the literary politics of formally innovative writing and the connections between literature and politics since the 1960s Freedom Time reclaims the power of experimental black voices by arguing that readers and critics must see them as more than a mere reflection of the politics of social protest and identity formation With an approach informed by literary cultural African American and feminist studies Reed shows how reworking literary materials and conventions liberates writers to push the limits of representation and expression **African American**

Poetry and Drama, 1760-1975 William P. French, Geneviève Fabre, 1979 **Radium of the Word** Craig Dworkin, 2020-12-09 With fresh insight and contemporary relevance Radium of the Word argues that a study of the form of language yields meanings otherwise inaccessible through ordinary reading strategies Attending to the forms of words rather than to their denotations Craig Dworkin traces hidden networks across the surface of texts examining how typography and even individual letters and marks of punctuation can reveal patterns that are significant without being symbolic fully meaningful without communicating any preordained message Radium of the Word takes its title from Mina Loy's poem for Gertrude Stein which hails her as the Madame Curie of the laboratory of vocabulary In this spirit Dworkin considers prose as a dynamic literary form characterized by experimentation Dworkin draws on examples from writers as diverse as Lyn Hejinian William Faulkner and Joseph Roth He takes up the status of the proper name in Modernism with examples from Stein Loy and Guillaume Apollinaire and he offers in depth analyses of individual authors from the counter canon of the avant garde including P Inman Russell Atkins N H Pritchard and Andy Warhol The result is an inspiring intervention in contemporary poetics
