The Gospel of Matthew Carol Walker,2016-02-15 The Gospel of Matthew is the first book in the New Testament It truly is a teaching Gospel It serves as an important resource for learning about the life and teachings of Jesus Christ The Apostles needed this teaching so that they could effectively form the foundation upon which the future Christian church would be built They needed this teaching to obey the commandment which Jesus gave them Go therefore and make disciples of all nations baptizing them in the name of the Father and of the Son and of the Holy Spirit and teaching them to obey everything that I have commanded you Matt 28 19 20 Using an easy to understand format The Gospel of Matthew offers an in depth study that reveals why Christ s presence forever changed the world Author Carol Walker explores the true nature of Jesus his mission on Earth and his ministry From his birth to his death and resurrection Walker recounts Jesus life and in so doing reveals how Jesus fulfilled Old Testament prophecy Walker presents thirty four lessons that cover the twenty eight chapters of Matthew Each chapter is summarized to provide historical and cultural background information and a question and answer section presents an opportunity for further discussion Lessons include the important work of the Holy Spirit the ministry of John the Baptist the Sermon on the Mount Jesus interpretation of the Ten Commandments and much more The Gospel of Matthew presents a comprehensive study for individuals or groups If you re seeking to expand your knowledge of Jesus life and teachings and want to deepen your faith let this be your guide [A Theology of Matthew's Gospel](#) Michael J. Wilkins,2025-10-07 A Theology of Matthew s Gospel develops the perspective that Matthew wrote his Gospel to identify

defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity's redemption Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1.1 So this first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews contending that they should turn to Jesus as their long-awaited Messiah Matt 11.2-6 But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28.19 The book emphasizes the three horizons that comprise Matthew's gospel history theology and literature The first horizon focuses on Jesus's history ministry Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew's theological perspective for his audience's Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey Therefore Matthew's Gospel is at least in a part a manual on discipleship to Jesus Messiah in the kingdom of heaven In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses The six Narratives provide the example that Jesus's disciples are commanded to obey In the five Discourses Matthew records Jesus's instructions commands parables directives and prophecies that will guide his followers in their discipleship to Jesus until the end of the age Combined the narratives of Jesus's life provide Jesus's example to follow and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus

Dying to Live John Churcher, 2012-04-16 Dying to Live is a radical exploration of the life of Jesus through the memories of Peter the Apostle and his translator Mark It is a journey not a destination It is a continuing quest not in search of integrity but to preserve it This book offers glimpses of a deeper relevant spirituality for today The starting point is that the Gospel of Mark was written as an interpretive biography not as sacred text To over-spiritualise the reading of Mark is to miss the real Jesus contained within its pages To follow Jesus is not so much concerned with right belief as it is about how one lives Jesus accepted people as they were and especially offered the outsider and the rejected dignity and a sense of personal worth Churches have rightly encouraged charitable giving especially to the poor and the outcast but its creeds and doctrines have misrepresented the transformational life and teaching of Jesus masking the hard cost of discipleship required to address the

underlying root causes of violence hunger and poverty in a world of plenty **Jesus's Teachings about Love, Forgiveness, and Relationships in the Christian Bible and A Course in Miracles** David A. Scott, MA, LMFT, 2023-01-23

Jesus was an enlightened spiritual master who lived and taught in the Middle East over two thousand years ago The Gospels of Matthew Mark Luke and John are four of the many gospels that claim to describe his life and contain his teachings More recently the spirit of Jesus dictated A Course in Miracles to Dr Helen Schucman a psychologist in New York City The Course when it was published included three volumes 1 a theoretical Text 2 a Workbook for Students and 3 a Manual for Teachers A Preface and two supplements were received by the same process and added to it later So now we have two ways to study and explore what Jesus taught This book examines his teachings from both sources regarding 1 love and spirit 2 giving getting and receiving 3 spiritually guided forgiveness and 4 our relationship with God and each other You will discover as the author did that the Gospels and the Course are largely in agreement as one would expect if they came from the same teacher This book is also available in Kindle and paperback editions on Amazon and epub and audio editions on Kobo **Left in the Dark!** J. A. Fowler, 2014-05-08 Chapter after chapter this manuscript introduces intriguing and shocking information found in the Bible Brought to the surface are scriptures no one talks about in church Within this book you will discover Why God demands that His people be sealed with a mark on their forehead Why Jesus was able to change His appearance at will Why Jesus mother and father were never seen during or after the crucifixion
