Moving Mountains Lessons In Bold Faith From Great Evangelical Leaders:

Moving Mountains Paul King, 2014-10-01 Discover the earth shaking power of living by faith Moving Mountains will show you how to venture forth with bold yet wise faith Let the sound practical teaching and amazing life experiences of twelve giants of faith from the past two hundred years lead you into new dimensions in your walk with God In its frantic search for something new the Church today is fast cutting loose from its historic moorings and abandoning its rich spiritual resources for weak human substitutes The message of a book like this is just what we need to get us back on course Warren Wiersbe author and conference speaker Paul King has called a meeting of wise devoted servants leaving one empty chair in the circle for you So come Feast on wind and fire Dr Calvin Miller professor of divinity Beeson Divinity School Contemporary believers are standing on the shoulders of the spiritual giants so well documented in this wonderful book Their messages will challenge and reshape your life Dr Neil T Anderson founder and president emeritus Freedom in Christ Ministries A notable collection of biographies This is so much more than history These beacons of faith will help you go deeper with God J Lee Grady editor Charisma Miracles Today Craig S. Keener, 2021-10-19 Do miracles still happen today This book demonstrates that miraculous works of God which have been part of the experience of the church around the world since Christianity began continue into the present Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today including many accounts that offer evidence of verifiable miracles This book gives an accessible and concise overview of one of Keener's most significant research topics His earlier two volume work on miracles stands as the definitive word on the topic but its size and scope are daunting to many readers This new book summarizes Keener's basic argument but contains substantial new material including new accounts of the miraculous It is suitable as a textbook but also accessible to church leaders and laypeople

Divine Healing: The Formative Years: 1830-1890 James Robinson, 2011-04-13 Divine healing is commonly practiced today throughout Christendom and plays a significant part in the advance of Christianity in Latin America Africa and Asia Such wide acceptance of the doctrine within Protestantism did not come without hesitation or controversy The prevailing view saw suffering as a divine chastening designed for growth in personal holiness and something to be faced with submission and endurance It was not until the nineteenth century that this understanding began to be seriously questioned This book details those individuals and movements that proved radical enough in their theology and practice to play a part in overturning mainstream opinion on suffering James Robinson opens up a treasury of largely unknown or forgotten material that extends our understanding of Victorian Christianity and the precursors to the Pentecostal revival that helped shape Christianity in the twentieth century **Spirit Hermeneutics** Keener, 2016 How do we hear the Spirit's voice in Scripture Once we have done responsible exegesis how may we expect the Spirit to apply the text to our lives and communities In Spirit Hermeneutics biblical scholar Craig Keener addresses these questions carefully articulating how the experience of the Spirit that

empowered the church on the day of Pentecost can and should dynamically shape our reading of Scripture today Keener considers what Spirit guided interpretation means explores implications of an epistemology of Word and Spirit for biblical hermeneutics and shows how Scripture itself models an experiential appropriation of its message Bridging the Word Spirit gap between academic and experiential Christian approaches Spirit Hermeneutics narrates a way of reading the Bible that is faithful both to the Spirit inspired biblical text and the experience of the Spirit among believers from book flap **God's Healing Arsenal** Paul King, 2001-01-15 Like the Art of War which teaches the battle plan for the military God's Healing Arsenal reveals the ultimate battle plan against distress and disease A biblically sound and immensely practical guide to healing forged in the white hot fires of the author's personal victorious battle with cancer It is not a heavy theoretical

Acts: An Exegetical Commentary : Volume 4 Craig S. Keener, 2015-10-06 Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research This commentary on Acts his magnum opus may be the largest and most thoroughly documented Acts commentary ever written Useful not only for the study of Acts but also early Christianity this work sets Acts in its first century context In this volume the last of four Keener finishes his detailed exegesis of Acts utilizing an unparalleled range of ancient sources and offering a wealth of fresh insights This magisterial commentary will be an invaluable resource for New Testament professors and students pastors Acts scholars and libraries The complete four volume set is available at a special price [The Nature Miracles of Jesus](#) Graham H.

Twelftree, 2017-09-06 The nature miracle stories of Jesus walking on the water or feeding thousands with a small amount of food for example are so spectacular that many find them a problem whether historical philosophical or even theological This is the first book to tackle this problem head on Do the stories reflect events in the life of the historical Jesus or are they myths or legends Or perhaps they grew out of parables or from more ordinary events into the incredible stories we now have Or again perhaps this the wrong approach A group of high ranking biblical historians philosophers and theologians with very diverse views set out to provide possible answers Contributors James Crossley Eric Eve Craig S Keener Michael Levine Timothy J McGrew Scot McKnight Graham H Twelftree Ruben Zimmermann *Gift and Giver* Craig S. Keener, 2020-11-03 In *Gift and Giver* leading New Testament scholar Craig Keener takes a probing look at the various evangelical understandings of the role of the Holy Spirit in the church He explores topics such as spiritual gifts the fruit of the Spirit the Spirit's power for evangelism and hearing God's voice His desire is for Christians to work for consensus or at least for unity in God's work despite our differences on secondary matters Employing a helpful narrative approach and an ample number of stories Keener enters into constructive dialogue with Pentecostals moderates and cessationists all the while attempting to learn from each viewpoint He seeks to bridge the gap between cessationists and Pentecostals charismatics by urging all Christians to seek the Holy Spirit's empowerment His irenic approach to this controversial issue has been endorsed by charismatics and non charismatics alike Sure to provoke helpful dialogue on a topic that has caused unfortunate divisions within the church *Gift*

and Giver will be a valuable addition to college and seminary courses on pneumatology It will also be helpful to lay readers interested in a balanced discussion of spiritual gifts This repackaged edition includes an updated preface and a substantive new afterword
