Well Blake it doesn't seem possible that we have succeeded does it and the lad who asked the question threw one leg over the saddle of his pony to ride side fashion for a while as a rest and change No Joe it doesn't answered another youth But we sure have got some dandy films in those boxes and he looked back on some laden burros that were following the cow ponies across a stretch of Arizona desert Well all I've got to say remarked the cowboy the third member of the trio is that taking moving pictures is about as strenuous work as rounding up or branding cattle I guess you don't quite believe that Hank do you asked Blake Stewart You haven't seen us work so very hard have you Work hard I should say I have answered Hank Selby Why the time those Indians charged our cave and Joe and I and Munson and his crowd were getting ready to fire point blank at them there you stood with bullets whizzing near you more than once grinding away at the handle of your moving picture camera as hard as you could Hard work huh
