*Moving Images of Eternity* William F. Pinar,2019-03-26 William F Pinar presents a comprehensive and original study that demonstrates the significance and pertinence of the scholarship of George Grant for teaching today While there are studies of Grant s political philosophy there has been no sustained study of his teaching Pinar not only draws upon the collected works he has also consulted Grant s PhD thesis at Oxford as well as the philosopher s biography collected letters and the vast secondary

literature What emerges is a treatise that reveals Grant's timeliness and his prescience in identifying and critiquing key educational issues nearly half a century ago from academic vocationalism and educational technology to privatization and the ascendancy of research issues that are eminently relevant today Beyond the classroom Grant's concerns extended to the impact of economic globalization which he feared would erase distinctive national histories and cultures As such Grant foresaw the current issues of right wing populism notably in the UK and the US as reactions against these historical tendencies This volume is destined to become an indispensable reference work for students of Grant in particular and for students of education in general This book is published in English S'il existe des tudes portant sur la philosophie politique et la th ologie de George Grant il n'y avait jusqu maintenant aucune tude soutenue sur son enseignement et plus pr cis ment sur la relation de son approche p dagogique celles ci Aucune tude ne puisait de fa on aussi pouss e l uvre compl te y compris ses pr sentations aux enseignants et sa th se doctorale d Oxford en philosophie ou sa biographie sa correspondance et la vaste litt rature secondaire Con u comme livre de r f rence pour les adeptes de Grant de m me que comme un manuel pour les tudians en ducation cet ouvrage arrive point nomm Pinar souligne la prescience de Grant qui identifiait et critiquait il y a d j cinquante ans des questions d ordre ducationnel vocation acad mique technologie p dagogique privatisation de l enseignement ascendance de la recherche sur l enseignement qui sont d actualit Grant tait aussi pr occup par le destin de ce qu il appelait la particularit au Canada et l tranger et s inqui tait que la mondialisation conomique effacerait les histoires et cultures nationales distinctives Un tat mondial universel et homog ne les remplacerait ce qui repr senterait la pire tyrannie inflig e l humanit Grant avait vu venir le populisme de droite que l on voit actuellement prendre prise notamment au Royaume Uni et aux tats Unis comme r action ces tendances historiques Ce livre est publi en anglais **Louis B. Mayer and Irving Thalberg** Kenneth Turan, 2025-02-04 Kenneth Turan brings to life the extraordinary partnership of Louis B Mayer and Irving Thalberg and their role in creating the film industry as we know it One was a tough junkman s son the other a cosseted mama s boy but they dreamed the same mighty dream that the right movies could make a profit and change both the culture and individual lives Sharing a religion and an evangelical zeal for film Louis B Mayer 1884 1957 and Irving Thalberg 1899 1936 were unlikely partners in one of the most significant collaborations in movie history Over the course of their decade long relationship as key players at Metro Goldwyn Mayer and major players in Hollywood they joined forces in redefining and mastering the template for the film industry Mayer older by more than a dozen years was the business minded face of the studio while Thalberg worked closely with the creative corps especially writers together they rarely set a foot wrong And while Mayer initially viewed Thalberg as the son he never had the two would go from passionate friends to near enemies before Thalberg's shocking death at the age of thirty seven In the first joint biography of the two men in fifty years film critic Kenneth Turan traces their fraught relationship while examining the complicated history of Jewish identity in Hollywood Allan Dwan and the Rise and Decline of the Hollywood Studios Frederic Lombardi, 2013-03-05 It could be said

that the career of Canadian born film director Allan Dwan 1885 1981 began at the dawn of the American motion picture industry Originally a scriptwriter Dwan became a director purely by accident Even so his creativity and problem solving skills propelled him to the top of his profession He achieved success with numerous silent film performers most spectacularly with Douglas Fairbanks Sr and Gloria Swanson and later with such legendary stars as Shirley Temple and John Wayne Though his star waned in the sound era Dwan managed to survive through pluck and ingenuity Considering himself better off without the fame he enjoyed during the silent era he went on to do some of his best work for second echelon studios notably Republic Pictures Sands of Iwo Jima and such independent producers as Edward Small Along the way Dwan also found personal happiness in an unconventional manner Rich in detail with two columns of text in each of its nearly 400 pages and with more than 150 photographs this book presents a thorough examination of Allan Dwan and separates myth from truth in his life and films
