documents ,1883 **The Legend Lives On** Ed Cauley,2024-06-24 This is the compelling realistic story about athletics in the small towns in Texas It tells the story of building a championship tradition from a below average program that attracts five good coaches and their collision with a group of gifted athletes and it is told through the eyes of the citizens of the community in which it all takes place The characters are as real as those in so many small towns and the interchanging of their attitudes and behaviors are comical at times It illustrates how often smaller communities are identified by the public school s success in athletics and how much success can bring about new ideas and attract others to want and become a part of their success It also shows what a challenge people from the outside have in being accepted and being understood but when they are all benefit from the experience The question that is asked in this story is whether the next generation and a new staff can continue the tradition established now that the golden boys have graduated and gone on to college It is an amazing tribute to those who follow such an era and their struggles **The Yale Alumni Weekly** ,1910
