The Little Book of Circle Time Dawn Roper, 2015-06-04 If you are just starting to plan circle time activities or just want some ideas for the youngest children this book is ideal It explores the first stages of circle time through easily planned activities with extensions for the children who are ready for them

The Only Woman in the Room Rita Lakin, 2015-09-01 Applause Books Rita Lakin was a pioneer a female scriptwriter in the early 1960s when Hollywood television was exclusively male For years in creative meetings she was literally the only woman in the room In this breezy but heartfelt remembrance Lakin takes readers to a long forgotten time when women were not considered worthy or welcome at the creative table Widowed with three young children she talked herself into a secretarial job at Universal Studios in 1962 despite being unable to type or take dictation With guts skill and humor she rose from secretary to freelancer to staff writer to producer to executive producer and showrunner meeting hundreds of famous and infamous show biz legends along the way during her long and unexpected career She introduced many women into the business and was a feminist before she even knew she was one The general public did not know her name but Lakin touched the lives of millions of viewers week after week year after year The relevance of her personal journey charming yet occasionally shocking will be an eye opener to present day who take for granted the abundance of female creative talent in today s Hollywood

Myth E. McCloskey, 2010-07-19 Anna Tyler is content to lie by the fire and look appealing to attract her friend Ben s attention on their winter vacation Unfortunately Anna quickly discovers that Ben s interest has already been captured by his new girlfriend Katie Rather than succumb to her desires to string Katie up and use her as a pi ata Anna escapes and ends up walking through the woods around her friend Lou s ski cabin While grumbling to herself about her rotten luck Anna comes across two hunters Very quickly she discovers that she s the prey Anna realizes that she might have to fight off more than her jealousy when the hunter continues his chase With the aid of the charming and teasing Darren Kingston Anna receives a crash course in the truth behind the myth of the Greek Gods Anna finds herself trying to keep a balance between the life she wants to live and the life she is destined to lead

The Stooges Brett Callwood, 2011-09-01 The story of seminal Ann Arbor punk rock band the Stooges told through original interviews with the band members and associates If the MC5 were Detroit s political spokesmen for the disenfranchised youth of the 1960s then the Stooges were the loutish kids heckling from the back of the room While conventional wisdom says they could barely play their instruments the Stooges left an indelible mark on the world of punk rock and the band s initial three albums The Stooges Fun House and Raw Power are bona fide classics In *The Stooges Head On* author Brett Callwood treats the band s story not just as an early chapter in the

career of its famous front man Iggy Pop but from the Stooges beginnings at the end of the 1960s to its end in the early 1970s and to its reunion in 2003 through the present In compiling this exhaustive account of the band s history Callwood interviewed all of the central and sometimes Stooges members including Iggy Pop Ron and Scott Asheton James Williamson Mike Watt Steve Mackay and Scott Thurston and largely lets the band tell its own story in numerous long quotes Callwood details the band s genesis as teenage friends in Ann Arbor their time living together in their legendary party houses in the 1960s and the recording of the three original Stooges albums He examines the addition of James Williamson to the band on Raw Power and how it changed the band s sound and dynamic along with the band s fateful meeting with David Bowie on its first British tour As Iggy broke out as a solo artist during the 1970s and 1980s Callwood charts the Asheton brothers post Stooges experiences with Ron s turns in The New Order Destroy All Monsters and Dark Carnival and Scott Asheton s time with the Farleys and Sonic s Rendezvous Band He also provides an overview of Iggy s solo career the seeds of a reunion that were planted with a collaboration on Iggy s Skull Ring album and the eventual reformation of the band and the recording of their fourth album The Weirdness in 2004 Originally published in the U K in 2007 The Stooges Head On has been revised to expand on the original story and also to consider Ron Asheton s untimely death in 2009 and his musical legacy the band s fate without Ron and the Stooges long overdue introduction into the Rock and Roll Hall of Fame in 2010 Fans of the Stooges and those interested in the roots of punk music will enjoy this intimate and informative volume

Why Poverty Persists Bob Baulch, 2011 Why Poverty Persists significantly advances our understanding of the temporal dimensions of poverty Its judicious mix of new evidence and improved methods offers new insights into why some people remain mired in poverty and the forces that keep them there All those interested in combating poverty academics donors and those working in the non governmental organizations will learn from the carefully constructed African and Asian case studies presented John Hoddinott International Food Policy Research Institute Washington DC US Ten years ago Bob Baulch and John Hoddinott drew our attention to the phenomenon of poverty dynamics an insight into the unpredictability of poor peoples livelihoods that had profound implications for poverty thinking and policy forcing a rethink of static conceptualisations and measurement and raising challenges for targeting anti poverty programmes In this new volume Baulch and colleagues enrich this understanding with rigorous analysis of panel datasets from six countries in Africa and Asia Most impressively this illuminating collection by technical microeconometricians is equally accessible to non technical readers which effectively communicates its important messages to development policy makers and practitioners Stephen Devereux University of Sussex UK This volume on poverty dynamics in developing countries whose authors include the leaders in this field is a must for analysts and research students It advances the literature by addressing three important issues measurement error attrition and tracking For each of these questions the volume leads by example showing how they can be handled in specific

cases The results show that escape from poverty is a diverse phenomenon and establish the importance of country and context specificity The volume provide an analytical platform for careful policy assessment of policy alternatives Ravi Kanbur Cornell University US At the beginning of the 2000 2010 decade Bob Baulch with John Hoddinott was setting the micro econometric agenda on poverty dynamics and chronic poverty and producing work that non economists had to read if they wanted to conduct serious research on these issues In this volume though his analytical excellence the pursuit and methodological rigour extraordinary energy and his ability to lead such a distinguished network of colleagues Bob Baulch has set the research agenda on poverty dynamics and chronic poverty for the next ten years From the foreword by David Hulme University of Manchester UK

White on White/Black on Black George Yancy,2005-03-25 White on White Black on Black is a unique contribution to the philosophy of race The book explores how fourteen philosophers seven white and seven black philosophically understand the dynamics of the process of racialization Combined the contributions demonstrate different and similar conceptual trajectories of raced identities that emerge from within and across the racial divide Each of the fourteen philosophers who share a textual space of exploration name blackness whiteness revealing significant political cultural and existential aspects of what it means to be black white Through the power of naming and theorizing whiteness and blackness White on White Black on Black dares to bring clarity and complexity to our understanding of race identity

I Close My Eyes in the Dark Denver E. Long BFA MA DPAKR,2022-02-02 I Close My Eyes in the Dark is a collection of eclectic short stories memories one poem and other life thoughts They are all about looking for the positive in every life situation When we look humor often presents itself Each short story is a life experience that in some situations are dire But a change in attitude changes everything and permits one to see the up side of life Sometimes the insight and awakening will seem absurd sometimes profound I ve heard it said that one s life is what one s thoughts make it I agreed and therefore live with the vision and if there is so much negative in life and in our experiences then there must be an equal amount of positive One cannot exist without the other It is the heart that matters

begins this remarkable account of six months service with the British Expeditionary Force in France up to and including the terrible retreat to and evacuation from the beaches of Dunkirk at the end of May 1940 Absorbing affecting thrilling often funny this book is very different from other war memoirs It was the first on the ground account of Dunkirk to be published in 1942 and lacks nothing in the immediacy of its telling The narrative is gripping and the style is revolutionary immersing the readers in the emotional and psychological turbulence of the author s experience and making them feel they are living through it themselves The result is a stunningly authentic and involving record of one of the defining episodes of twentieth century British history Editor N H Reeve provides a lucid critical and biographical Afterword and includes two extracts from an unfinished work by Gwynn Browne in which his idiosyncratic stream of consciousness style is used to describe the London Blitz and the mood of the civilian population in wartime
