Moving The Hand Of God:

Moving Mountains John Eldredge, 2016-02-16 New York Times best selling author of *Wild at Heart* John Eldredge offers readers a step by step guide to effective Christian prayer How would it feel to enter into prayer with confidence and assurance certain that God heard you and that your prayers would make a difference It would likely feel amazing and unfamiliar That s because often our prayers seem to be met with silence or don t appear to change anything Either response can lead to disappointment or even despair in the face of our ongoing battles and unmet longings especially when we don t know if we re doing something wrong or if some prayers just don t work New York Times bestselling author John Eldredge confronts these issues directly in *Moving Mountains* by offering a hopeful approach to prayer that is effective relational and rarely experienced by most Christians In a world filled with danger adventure and wonder we have at our disposal prayers that can transform the events and issues that matter most to us and to God *Moving Mountains* shows you how to experience the power of daily prayer learn the major types of prayers including those of intervention consecration warfare and healing and to discover the intimacy of the cry of the heart prayer listening prayer and praying Scripture Things can be different and you personally have a role to play with God in bringing about that change through prayer It may sound too good to be true but this is your invitation to engage in the kind of prayers that can move God s heart as well as the mountains before you *Moving Mountains* is also available in Spanish *Mueve monta* as To dive deeper into the *Moving Mountains* message the *Moving Mountains* study guide and video study are available now *Moving the Hand of God* John F. Avanzini, 1990
