Mozart Wolfgang Amadeus Mozart,2006-10-26 A selection of Mozart s letters translated into English complete with notes linking commentary and chronology **Mozart** Paul Johnson,2014-11-25 Most satisfying A highly accessible initial foray into an astonishing and inexhaustible subject The Cleveland Plain Dealer Mozart s music has enthralled listeners for centuries In this brilliant biography acclaimed historian Paul Johnson draws upon his expert knowledge of the era and Mozart s own private letters to conjure Wolfgang Amadeus Mozart s life and times in rich detail Johnson charts Mozart s life from age three through to his later years when he penned The Marriage of Figaro and Don Giovanni Along the way Johnson challenges some of the popular myths that cloud Mozart s image his allegedly tempestuous personal relationships and supposedly bitter rivalry with Salieri as well as the notion that he was desperately impoverished when he died The result a bold invigorating portrait of one of the most popular and influential composers of all time is a welcome addition to Johnson s extraordinary body of work and makes a perfect gift for classical music lovers and fans of biographies *Mozart* Maynard

gives Mozart a voice as a son husband brother and friend New York Times Book Review Mozart s honesty his awareness of his own genius and his contempt for authority all shine out from these letters Sunday Times London In Mozart s Letters Mozart s Life Robert Spaethling presents Mozart in all the rawness of his driving energies Spectator preserved in the zany often angry effervescence of his writing Observer Where other translators have ignored Mozart s atrocious spelling and tempered his foul language Robert Spaethling s new translations are lively and racy and do justice to Mozart s restlessly inventive mind Daily Mail Carefully selected and meticulously annotated this collection of letters should be on the shelves of every music lover BBC Music Magazine **Mozart** Marcia Davenport,1933 Life of Mozart Otto Jahn,1882 *Life of*

Chrysostom Wolfgang Theophilus Mozart is widely considered to be the culminating figure of the Classical Period in music which spanned much of the 18th to early 19th centuries As such he is remembered as one of Western Civilization s most prodigious and spontaneous natural talents on par with Leonarado da Vinci and Johann Sebastian Bach Mozart once called music my life and indeed few were as naturally gifted at it Mozart s memory and genius for music allowed him to compose lengthy works even full length operas without transferring them to paper until he had fully visualized and retained them He regarded copying as a tedious task and this caused no small amount of consternation among performers in particular the orchestra some of whom received their parts minutes before curtain This was said to be the case for the premiere of Don Giovanni where Mozart was furiously scrawling and handing out parts to the overture with the audience in attendance Surprisingly these entire works sometimes hundreds of pages not penned until they were complete in his mind usually arrived to the manuscript without a single blemish or change of heart Mozart s eccentricities are remembered centuries after his death to the point that much of his life illnesses and death have been mythologized and today a lot of his legacy has been shaped by the manner in which his personality has been depicted in biographical works like Amadeus In addition to a large and consistently high level body of work Mozart represents for some the real beginning of the German lineage to the 20th century although Ludwig Beethoven greatly under Mozart s influence created much of that transition s reality Three of Mozart s operas are continually in the top 10 works performed around the world his piano concerti and symphonies are all in the standard repertoire save for some of the earliest and his choral works are treasures of the West The bulk of his reputation was not garnered by breaking with tradition and destroying it but rather by fulfilling it with a greater beauty and naturalness than was possible for any other artist of the time Mozart was perhaps the world s greatest master of the modern melody coming onto the scene after centuries of rule laden pedantic and convoluted procedures dominated by the Catholic Church and he certainly possessed one of the most astonishing levels of intelligence in European history Wolfgang Amadeus Mozart The Life and Music of the Great Composer comprehensively analyzes the themes and revolutionary advancements of Mozart s music looking at his most famous works and comparing and contrasting them Along with pictures of important people places and events you will learn about Mozart and his music like never before in no time at all [Life of Mozart](#) Ludwig Nohl, John J (John Joseph) Lalor, 2025-03-29 Delve into the captivating Life of Mozart by Louis Nohl a compelling biography of the brilliant Austrian composer Wolfgang Amadeus Mozart This meticulously prepared edition offers a timeless exploration of Mozart s life and enduring musical legacy Discover the story of one of history s most celebrated figures in classical music whose compositions continue to resonate with audiences worldwide Explore the personal and professional journey of Mozart 1756 1791 through the insightful lens of biographer Louis Nohl This book is an essential addition to any music lover s library providing a detailed account of Mozart s triumphs and struggles as a composer Life of Mozart is a valuable resource for understanding the man behind the music and appreciating the depth of his artistic genius A crucial
