**Mozart's Letters, Mozart's Life** Robert Spaethling, 2005-12-17 A wonderful collection that gives Mozart a voice as a son husband brother and friend New York Times Book Review Mozart's honesty his awareness of his own genius and his contempt for authority all shine out from these letters Sunday Times London In Mozart's Letters Mozart's Life Robert Spaethling presents Mozart in all the rawness of his driving energies Spectator preserved in the zany often angry effervescence of his writing Observer Where other translators have ignored Mozart's atrocious spelling and tempered his foul language Robert Spaethling's new translations are lively and racy and do justice to Mozart's restlessly inventive mind Daily Mail Carefully selected and meticulously annotated this collection of letters should be on the shelves of every music lover BBC Music Magazine

**Letters of Wolfgang Amadeus Mozart** Wolfgang Amadeus Mozart, 1928

**Mozart's Letters** Wolfgang Amadeus Mozart, 1956 This selection was made by Eric Blom from Emily Anderson's English edition of *The Letters of Mozart and his Family* The choice from the letters of the composer only together with the narrative and commentary interspersed by the editor makes up a most enthralling biography which will allow lovers of Mozart's music to gain a new insight into his work and a new affection for his personality The letters of Mozart are supreme among those of composers for the self revelations of a professional artist and of a human being Mozart the man is not by any means as faultless and elegantly aristocratic as his art but is in his way as loveable and perennially fresh There are crude and occasionally rather mean things in his letters that may shock those who do not make allowances for the manners and mentalities of a different age but he is what those most deserving of one's truest love always are in the end forgivable

**A Mozart Letter Book** Wolfgang Amadeus Mozart, 1956 This book will serve the public as an introduction and guide to the world and life of Mozart The author has followed the 1860 translation while altering what seems to be obvious errors But readers will also note how often he has taken flight away from what Mozart wrote into oratio obliqua in the sort of expansion as when he prefers to write Michael Haydn where Mozart wrote Haydn so as to avoid footnotes and when has left out proper names Hence his dramatis personae at the beginning of each letter section What is offered here is an edited sample of Mozart While the editing is intended to make the matter smooth readable and understandable we do not think it is misleading The book has tried to show the man whole as child as youth and as a man as a musician as a financier and what a sour laugh here as a lover as a flirt as a friend and as an intriguer When you have read this book you will really know the human Mozart Jacket

*Theological Anthropology in Mozart's La clemenza di Tito* Steffen Lösel, 2022-07-13 This book asks what theological messages theologically educated Catholics in late eighteenth century Prague might have perceived in Mozart's late opera seria *La clemenza di Tito* The book's thesis is two fold first that Catholics might have heard the opera's advocacy of enlightened absolutism as a celebration of a distinctly Catholic understanding of political governance and second that they might have found in the opera a metaphor for the relationship between a gracious God and humanity caught up in sin expressed as sexual concupiscence pride and lust for power The book develops its interpretation of the opera through narrative character analyses of the main protagonists an examination of their dramatic development and by paying attention to the biblical and theological associations they may have evoked in a Catholic audience The book is geared towards academic readers interested in opera theologians historians and those who work at the intersection of theology and the arts It contributes to a better understanding of the theological implications of Mozart's operatic work
