

Mozarts Wife

Robert Spaethling

Mozarts Wife:

Mozart's Wife Juliet Waldron, 2004-12 Based on original sources including family letters and scholarly biographies this is a biographical novel about Constanze Mozart's wife

The Mozart Family Ruth Halliwell, 1998 Mozart's family has never received the kind of attention that does justice to the complexity of its relationships or its interactions with colleagues friends and neighbors in Mozart's native Salzburg And most biographies of the great composer have neglected the many passages in the rich Mozart family correspondence that do not bear directly on him This book turns a bright light on this neglected material most of which has never before been translated into English to provide a fascinating look at Mozart's parents Leopold and Maria Anna and sister Nannerl Challenging most previous views of the individuals in Mozart's family and the relationships within it Halliwell introduces a wealth of characters from the family's circle in Salzburg from chambermaids to princes and relates the gossip stories the family told to their larger outlook on the world She also draws on the neglected papers of the Berchtold family into which Nannerl married and other rare archival material to provide a sympathetic account of the hopes fears and expectations of the family within their social context An important final section traces the role of Nannerl and Mozart's wife Constanze in using controlling and handing on the biographical source material after Mozart's death addressing the question of how myths surrounding his life and death became so prevalent so early

Constanze, Mozart's Beloved Agnes Selby, 2013-09-10 Constanze the wife of Wolfgang Amad Mozart was not the foolish and self interested individual of popular opinion much of which is based on the views of Mozart's father who believed that his son had chosen an inappropriate partner This strong minded woman was however to be of critical support to her beloved husband From a family of accomplished musicians she was possessed of a fine voice and sang in public performances of a number of Mozart's works both before and after his death She bore him six children of whom two survived childhood Her business acumen was such that after his death she was largely responsible for keeping his music before the public organising concerts securing the accurate publication of many of his works including the Requiem and acquiring patronage from the aristocracy Her second marriage to the Dane Georg Nikolaus Nissen continued a life story which is a rich example of self sufficiency and competence in an era when a woman in business was a rarity Importantly this book restores the reputation of a woman much maligned by history Revised edition

The Letters of Mozart and his Family Wolfgang Amadeus Mozart, Stanley Sadie, Fiona Smart, 2016-01-03 This study has been revised to include new finds about the composition dates of several Mozart works A new bibliography and a collation with the Neue Mozart Ausgabe edition of letters edited by O E Deutsch W A Bauer and J H Eibl Baerenreiter 1962 75 is also included

The Adult Mozart: Wolfgang's family ; The Mozart's amusements ; Ransacking Mozart's brain ; Secrets and puzzles ; Opera must make sense ; Operatic acting and illumination ; Der Schauspieldirektor

Boris Goldovsky, 1991

Mozart's Death William Stafford, 1991-10-23 There is a macabre fascination in the spectacle of one so brilliant dying so young in such tragic circumstances Was Mozart poisoned Was he irresponsible and childish dying from

debauchery and dissipation Did his wife contribute to his downfall Was he driven to destruction by being ostracised as a rebel Did his genius render him incapable of normal human contact and worldly prudence Did he die because he had accomplished his mission as an artist and burnt himself out Was he the victim of a run of bad luck From 1791 to the present such stories have flourished this book examines their development and the evidence for them Life of Mozart Otto

Jahn,1882 **Mozart's Women** Jane Glover,2013-04-18 Mozart was fascinated amused aroused hurt and betrayed by women He loved and respected them composed for them performed with them This unique biography looks at his interaction with each starting with his family his mother Maria Anna and beloved and talented sister Nannerl and his marriage which brought his other family the Weber sisters His relationships with his artists are examined in particular those of his operas through whose characters Mozart gave voice to the emotions of women who were like his entire female acquaintance restrained by the conventions and structures of eighteenth century society This is their story as well as his and shows once again that a great part of the composer's genius was in his understanding and musical expression of human nature Evocative and beautifully written Mozart's Women illuminates the music the man and above all the women who inspired him Jane Glover has pulled off a coup des livres with her fresh take on Mozart's life and work Sunday Telegraph Readable informative and moving Her passion for the music shines through this touching vividly told story Sunday Times *Mozart's Letters, Mozart's Life* Robert Spaethling,2005-12-17 A wonderful collection that gives Mozart a voice as a son husband brother and friend New York Times Book Review Mozart's honesty his awareness of his own genius and his contempt for authority all shine out from these letters Sunday Times London In Mozart's Letters Mozart's Life Robert Spaethling presents Mozart in all the rawness of his driving energies Spectator preserved in the zany often angry effervescence of his writing Observer Where other translators have ignored Mozart's atrocious spelling and tempered his foul language Robert Spaethling's new translations are lively and racy and do justice to Mozart's restlessly inventive mind Daily Mail Carefully selected and meticulously annotated this collection of letters should be on the shelves of every music lover BBC Music Magazine **The**

Life of Mozart Otto Jahn,2020-12-17 Life of Mozart in three volumes is a biography of famous Austrian composer Wolfgang Amadeus Mozart written for the centenary of his birth It was written by German scholar Otto Jahn who collected the written sources on the life of the composer for the first time and evaluated them using philological methods The book is basically an Encyclopedia of musical art and biography It presents not only the narrative of Mozart's life in the smallest details with a thorough examination of each work but it also deals with the rise and progress of each branch of music that Mozart touched Jahn also provides a detailed account of the social and musical state of the numerous cities visited by Mozart such as Paris Munich and Vienna and biographical sketches of people in Mozart's life Jahn's biography of Mozart is of great importance for musicology and remains fundamental to Mozart research **Mozart: A Life in Letters** Wolfgang Amadeus

Mozart,2006-10-26 A selection of Mozart's letters translated into English complete with notes linking commentary and

chronology **Life of Mozart (Complete)** Otto Jahn, 2020-09-28 WOLFGANG AMADE MOZART came of a family belonging originally to the artisan class We find his ancestors settled in Augsburg early in the seventeenth century and following their calling there without any great success His grandfather Johann Georg Mozart a bookbinder married October 7 1708 Anna Maria Peterin the widow of another bookbinder Augustin Banneger From this union sprang two daughters and three sons viz Fr Joseph Ignaz Franz Alois who carried on his father's trade in his native town and Johann Georg Leopold Mozart born on November 14 1719 the father of the Mozart of our biography Gifted with a keen intellect and firm will he early formed the resolution of raising himself to a higher position in the world than that hitherto occupied by his family and in his later years he could point with just elation to his own arduous efforts and the success which had crowned them when he was urging his son to the same steady perseverance When Wolfgang visited Augsburg in 1777 he gathered many particulars of his father's youth which refreshed the recollections of Leopold himself We find him writing to his son October 10 1777 how as a boy he had sung a cantata at the monastery of St Ulrich for the wedding of the Hofrath Oefele and how he had often climbed the broken steps to the organ loft to sing treble at the Feast of the Holy Cross November 29 1777 He afterwards became an excellent organist a certain Herr von Freisinger of Munich told Wolfgang October 10 1777 that he knew his father well he had studied with him and had the liveliest recollections of Wessobrunn where my father this was news to me played the organ remarkably well He said It was wonderful to see his hands and feet going together but exceedingly fine yes he was an extraordinary man My father thought very highly of him And how he used to jeer at the priests when they wanted him to turn monk This last must have been of peculiar interest to Wolfgang who knew his father only as a devout and strict observer of the Catholic religion But Leopold remembered the days of his youth and wrote to his wife December 15 1777 Let me ask if Wolfgang has not of late neglected to go to confession God should ever be first in our thoughts to Him alone must we look for earthly happiness and we should ever keep eternity in view young people I know are averse to hearing of these things I was young myself once but God be thanked I always came to myself after my youthful follies fled from all dangers to my soul and kept steadily in view God and my honour and the dangerous consequences of indulgence in sin Long continued exertions and self denial laid the foundation of Leopold Mozart's character in a conscientious earnestness and devotion to duty in great things as in small they had the effect also of rendering his judgment of others somewhat hard and uncompromising This is observable in his relations as an official and as a teacher and in his dealings on matters of religion He was a strict Catholic and feared nothing so much for his children as the influence which a prolonged stay in Protestant countries might exert on their faith he remarked with surprise that his travelling companions Baron Hopfgarten and Baron Bose had often edified him with their discourse although they were Lutherans Paris April 1 1764 **Mozart's Operas and National Politics** Martin Nedbal, 2023-08-10 As both an in depth study of Mozart criticism and performance practice in Prague and a history of how eighteenth century opera was appropriated by later political movements and social groups this book explores the reception of

Mozart's operas in Prague between 1791 and the present and reveals the profound influence of politics on the construction of the Western musical canon Tracing the links between performances of Mozart's operas and strategies that Bohemian musicians critics directors musicologists and politicians used to construct modern Czech and German identities Nedbal explores the history of the canonization process from the perspective of a city that has often been regarded as peripheral to mainstream Western music history Individual chapters focus on Czech and German adaptations of Mozart's operas for Prague's theaters operatic criticism published in Prague's Czech and German journals the work of Bohemian historians interpreting Mozart and endeavours of cultural activists to construct monuments in recognition of the composer **Mozart** Stanley Sadie,2006-01-19 In the 250th anniversary of Mozart's birth few people would question his rating as the most popular of all classical composers Yet there exists no substantial up to date English language study of the man and his works Aiming to fill this gap Sadie draws substantially on family correspondence and discusses individual works in sequence relating them to the events and relationships of his life Much new material connected with Mozart has come to light in recent years and understanding of the context for Mozart's music has broadened immensely Sadie's biography digests and interprets this corpus of new information [Life of Mozart: Volume 3](#) Otto Jahn,2013-09-05 The 1882 three volume English translation of the 1867 second edition of a landmark biography of Wolfgang Amadeus Mozart 1756-91 **Chopin** Faina Orzechovska,2024-03-27 One man One instrument A wealth of music A biography of the brilliant and tormented Polish composer Chopin set against the rich historic background of the era **Mozart** John Suchet,2017-08-08 We think we know the story of Wolfgang Amadeus Mozart's life Austrian born to a tyrannical father who worked him fiercely unhappily married to a spendthrift woman a child like character ill at ease amid the aristocratic splendor of the Viennese court a musical genius who died young thus depriving the world of future glories Yet only that last point is actually true In this comprehensive biography John Suchet examines the many myths and misunderstandings surrounding the world's best loved composer From his early days as a child prodigy performing for the imperial royal family in Vienna to the last months of his short life driven to exhaustion by a punitive workload one thing remained constant his happy disposition Through trials and tribulations grand successes and disheartening setbacks Suchet shows us the real Mozart blessed with an abundance of talent yet sometimes struggling to earn a living His mischievous nature and earthy sense of humor his ease and confidence in his own incredible abilities these were traits that never left him His music has brought comfort to countless generations his life though brief is no less fascinating **Mozart's Requiem** Christoph Wolff,1994 When was the score of the Requiem completed is a question that everyone has asked but Wolff goes on to ask Where do the technical and stylistic premises for the Requiem lie and to what extent could these be taken into account after Mozart's death This question is rich in implications central to the uniqueness of the work and virtually undiscussed in the Mozart literature Thomas Bauman co author of Mozart's Operas **Mozart's Operas** Daniel Heartz,1990 Renowned Mozart scholar Daniel Heartz brings his deep knowledge of social

history theater and art to a study of the last and great decade of Mozart's operas. Mozart specialists will recognize some of Hertz's best known essays here but six pieces are new for the collection and others have been revised and updated with little known documents on the librettist's composer's and stage director's craft. All lovers of opera will value the elegance and wit of Professor Hertz's writing enhanced by thirty seven illustrations many from his private collection. The volume includes Hertz's classic essay on *Idomeneo* 1781 the work that continued to inspire and sustain Mozart through his next and final six operas. Thomas Bauman brings his special expertise to a discussion of *Die Entführung aus dem Serail* 1782. The ten central chapters are devoted to the three great operas composed to librettos by Lorenzo da Ponte: *Le nozze di Figaro* 1786, *Don Giovanni* 1787 and *Cos fan tutte* 1790. The reader is treated to fresh insights on da Ponte's role as Mozart's astute and stage wise collaborator on the singers whose gifts helped shape each opera and on the musical connections among the three works. Parallels are drawn with some of the greatest creative artists in other fields such as Molière, Watteau and Fragonard. The world of the dance one of Hertz's specialties lends an illuminating perspective as well. Finally the essays discuss the deep spirituality of Mozart's last two operas *Die Zauberflöte* and *La Clemenza di Tito* both 1791. They also address the pertinence of opera outside Vienna at the end of the century the fortunes and aspirations of Freemasonry in Austria and the relation of Mozart's overtures to the dramaturgy of the operas.

The Great Composers Portrayed on Film, 1913 through 2002 Charles P. Mitchell, 2015-07-11. This book is a comprehensive filmography of biographical films featuring the lives of 65 great classical composers. Performances analyzed include Richard Burton as Richard Wagner, Cornel Wilde as Frederic Chopin, Gary Oldman as Ludwig van Beethoven, Tom Hulce as Mozart and Katharine Hepburn as Clara Schumann among others. Arranged alphabetically by composer's name and illustrated with stills and posters the text provides a brief biography of each composer and analyzes the feature films portraying him or her. Emphasis is given to the factual accuracy of the screenplay, the validity of the portrayal and the film's presentation of the composer's music.
