

ARBITRATION AGREEMENT

In countries mentioned above, it is counsels of the parties who decide to meet physically or not and if need to meet then fix time is given to each party within which they need to conclude their part of proceeding. In some cases, even counsels agree to proceed arbitration on the basis of the documents only. It can't be imagining in India. In some cases, counsels are also responsible, but Mr. Arbitrator is in command of arbitral tribunal therefore he should be blamed more. Generally, no arbitral proceeding concludes in time. Though, Indian Arbitration (Amendment) Act, 2015 [1] [2], sets the time limit to conclude proceeding within one year but it is hardly followed by the parties including Mr. Arbitrator but still it is better than pre-Arbitration amendment act, 2015 where pace of arbitral proceedings was even slower than

tortoise. Entering into arbitral proceeding was nothing but like entering into dark tunnel.

Is it not time to change? Mr. Arbitrator

Though practice of arbitration in India is very old but time has come when tunnel all players of arbitration need to change themselves to align with widely accepted global practice. They can't avoid it any more without becoming redundant. In fact, it is demand of time to say good bye to some archaic practices. Like other countries, Mr. Arbitrator can also dispense requirements of unnecessary physical hearing such as hearing for procedural order or hearing for application etc. fix the time limit of each and every procedure including cross examination and hearings as followed under the International Arbitration Rules [1] [2].
