Churchill's Shadow: The Life and Afterlife of Winston Churchill Geoffrey Wheatcroft, 2021-10-26 A New York Times Notable Book of the Year A major reassessment of Winston Churchill that examines his lasting influence in politics and culture Churchill is generally considered one of the greatest leaders of the twentieth century if not the greatest of all revered for his opposition to appeasement his defiance in the face of German bombing of England his political prowess his deft aphorisms and his memorable speeches He became the savior of his country as prime minister during the most perilous period in British history World War II and is now perhaps even more beloved in America than in England And yet Churchill was also very often in the wrong he brazenly contradicted his own previous political stances was a disastrous military strategist and inspired dislike and distrust through much of his life Before 1939 he doubted the efficacy of tank and submarine warfare opposed the bombing of cities only to reverse his position shamelessly exploited the researchers and ghostwriters who wrote much of the journalism and the books published so lucratively under his name and had an inordinate fondness for alcohol that once found him drinking whisky before breakfast When he was appointed to the cabinet for the first time in 1908 a perceptive journalist called him the most interesting problem of personal speculation in English politics More than a hundred years later he remains a source of adulation as well as misunderstanding This revelatory new book takes on Churchill in his entirety separating the man from the myth that he so carefully cultivated and scrutinizing his legacy on both sides of the Atlantic In effervescent prose shot through with sly wit Geoffrey Wheatcroft illuminates key moments and controversies in Churchill s career from the tragedy of Gallipoli to his shocking imperialist and racist attitudes dealings with Ireland support for Zionism and complicated engagement with European integration Charting the evolution and appropriation of Churchill s reputation through to the present day Churchill s Shadow colorfully renders the nuance and complexity of this giant of modern politics

Bestiary Piers Brendon,2018-10-25 In this fascinating and unique biography Dr Piers Brendon looks deeper into Churchill's love of the animal kingdom and at how animals played such a large part in his everyday life **What Jane Austen's**

Characters Read (and Why) Susan Allen Ford,2024-07-11 The first detailed account of Austen's characters reading experience to date this book explores both what her characters read and what their literary choices would have meant to Austen's own readership both during her life and today Jane Austen was a voracious and extensive reader so it's perhaps no surprise that many of her characters are also readers from Mr Collins in *Pride and Prejudice* to Fanny Price in *Mansfield Park* Beginning by looking at Austen's own reading as well as her interest in readers' responses to her work the book then focuses on each of her novels looking at the particulars of her characters' reading and unpacking the multiple and often surprising ways in which what they read informs our reading *What Jane Austen's Characters Read and Why* uses Austen's own love of reading to invite us to rethink the ways in which she imagined her characters and their lives beyond the novels

Jane Austen: The Novels Nicholas Marsh,1998-03-01 Jane Austen's novels are among the most polished and carefully crafted works in the English literary heritage This book takes extracts and examines them in close detail bringing out the extraordinary richness of irony and implication in Jane Austen's writing Using the tool of textual analysis the reader is taught to explore and enjoy the delicate comedy of her narratives and to inquire into the serious moral purpose that lies behind each of these four novels This guide does not simplify the study of Jane Austen but invites the reader to pursue and revel in the ironic subtlety of her methods and thought *The Global and American Spirit* Evan Lanning,2019-09-16 From the great thinkers of Ancient Greece to the illustrious forebears of America's founding to the fearless leaders of free peoples who inspired the twentieth century world through the disturbing turmoil and despair of two global wars wars that resulted in genocide mass destruction and cultural decay all of history seems to direct us respectively toward the light of truth the sound of liberty and the resolve of democracy Encapsulating this and more with a sweeping series of essays the exciting new author Evan Lanning takes us up to today's disturbing world of critical unthinking historical illiteracy unrelenting group think and agenda driven truth telling In this world of unconstructive ineffective and ultimately destructive passions of party spirit Lanning asks us to consider the limits of our knowledge and to surrender our respective feelings in exchange for the nobler pursuit of truth rooted in fact Only when we recognize how much we do not know will we be able to find our way through this

darkened world Only when we realize how much humanity cannot know will we understand our need for a deeper source of meaning In The Global and American Spirit Lanning attempts to pierce through the darkness of political acquiescence by asserting that we must lift our eyes to the light of Truth and stand upon the shoulders of the greats in order to see the American spirit reborn Lanning appeals to the American people to take heart once again that the energy the faith and the devotion which we bring to this endeavor will light our country and all who serve it In short he asks Americans to rekindle Faith in order that the glow from that fire can truly light the world *Young Titan* Michael Shelden,2014-03-25 An account of the World War II prime minister s early career covers his contributions to building a modern navy his experimentations with radical social reforms and his lesser known romantic pursuits **The Investor's Monthly Manual** ,1926 British Foreign Policy in the Second World War Ernest Llewellyn Woodward,1970
