Herbert Mitgang, 1982 Just a Few Words, Mr. Lincoln Jean Fritz, 1993 The true story of President Lincoln and the Gettysburg address **Abraham Lincoln's Religion** Stephen J. Vicchio, 2018-03-23 This work is a summary and analysis of Abraham Lincoln's religion This study begins with a description of the earliest relations Mr Lincoln had with religion his parents dedication to a sect known as the Separate Baptists By late adolescence Lincoln began to reject his parents faith and he appears to have been a religious skeptic until his marriage to Mary Todd After his marriage he attended Protestant services with his wife and family but there was little evidence that he was deeply religious in that time Lincoln knew the Scriptures quite well but it was not until the death of his two sons Eddie in 1850 and Willie in 1862 that as the sixteenth president put it He became more intensely concerned with God's Plan for human kind **Abraham Lincoln's Humor**, 2021-01-13 This collection of jokes and yarns reflects the homespun humor Lincoln developed as a traveling lawyer which later proved an effective tool for negotiating policy gaining influence and imparting moral lessons **Abraham Lincoln's Most Famous Case** George R. Dekle Sr., 2014-04-17 Dispelling common myths and misunderstandings this book provides a fascinating and historically accurate portrayal of the 1858 Almanac Trial that establishes both Lincoln's character and his considerable abilities as a trial lawyer Even after the mythical elements are removed the true story of Abraham Lincoln and the Almanac Trial is a compelling tale of courtroom drama that involves themes of friendship and loyalty Abraham Lincoln's Most Famous Case The Almanac Trial sets the record straight it examines how the dual myths of the dramatic cross examination and the forged almanac came to be describes how Lincoln actually won the case and establishes how Lincoln's behavior at the trial was above reproach The book outlines three conflicting versions of how Lincoln won the Almanac Trial with a dramatic cross examination with an impassioned final argument or with a forged almanac and then traces the transformation of these three stories over the decades as they were retold in the forms of campaign rhetoric biography history and legal analysis After the author exposes the inaccuracies of previous attempts to tell the story of the trial he refers to primary sources to reconstruct the probable course of the trial and address questions regarding how Lincoln achieved his victory and whether he freed a murderer Abraham Lincoln's Wilderness Years J.
