Mr Mysteriouss Secrets Of Magic:

Mr. Mysterious's Secrets of Magic Sid Fleischman,1975-01-01 Diagrammed instructions for performing twenty magic tricks such as The Vanishing Ghost The Lie Detector and Frankenstein s Toothache *Uncommon People I Have Known* Frank P. Sherwood,2013-09-04 The title and subtitle say a great deal about the character of this book These are stories about people who inevitably stand out in a crowd for their personal attributes their ethical standards the ways in which they have coped with great problems and their remarkable achievements Significantly fourteen of the sixteen stories in this book are about people who have in some way contributed to better government Several have worked directly in government others have been teachers and still others have found ways to make contributions Not all the stories are about people in the U S The two stories from Brazil involve people who stayed at home and did their good work there in the other two instances already blossoming careers at home were ended by extreme governmental changes In all cases however these are people who must be admired for their extreme dedication to the highest ideals of service In effect this book can be considered a primer on government that works The two whose stories did not directly concern government contributed mightily to a better society One was a highly productive author who in later years concentrated on children s books and wrote more than 50 of them The other pioneered a wholly different journalistic undertaking the city regional magazine Today these publications are found throughout the country and are distinguished by their design quality and their commitment to the communities they serve
