could have happened to her Erin can't find her way out of the cornfield and the darkening sky looks more and more like rain. She is running now crashing carelessly through the dead corn stalks too frantic to recoil from the dry leaves whipping her face as she charges along. Unexpectedly she sees a shadowy form just ahead not moving. It stands motionless partially obscured by the high stalks. She stops stunned. Will she ever find her way out of the maze and back to Lila. Inspired by the photo above featuring the author's granddaughters this story is part reality and part fantasy recalling a wonderful afternoon spent romping through a large cornfield maze. *Appendix to the Journals of the House of Representatives of New Zealand* New Zealand. They told him this was where someone was hiding him. Clues lead him on a journey in search of who he is who he was and why someone did this to him. Each time he finds someone connected to a mysterious symbol something inconceivable happens. Something even the people who live in unreality can't explain. Micah and the investors built the Maze a massive alternate reality that feeds on the players who enter. But now someone is pursuing them. One by one the investors begin to vanish. When clues are left behind Micah suspects who it is that's taking them. It's someone from a game played long ago and a promise she made. He believes she wants to avenge all those responsible for what they did to her. And her son. But she wants something much more than to destroy the Maze. He must stop her before all hope is lost. He thought she was dead. But he was wrong. She was only waiting.
