HERE S WHAT READERS ARE SAYING ABOUT WAR OF THE FAE BOOK 3 The one thing I can always count on from author Elle Casey is her uncanny ability to hook a reader into a story or series and tie them relentlessly into the journey of not only the main protagonist but also all supporting characters both good and not so nice The War of the Fae series is perhaps one of the best examples of this magical connection with her readers Casey has created a whole world of characters that you very quickly care very much about

Lisa Ann Reviewer on Goodreads The drama flew through the roof Jayne s powers are growing and the demand on her is insane What I really loved about Call to Arms was the intricacy of the plot and how issues were placed against issues and desires were placed against desires to create a world that did not adhere to a strict and typical diet of paranormal young adult fantasy Jayne is still cracking jokes is still cursing is still making stupid decisions is still relateable still has ulterior motives still is Jayne

Margaret Thomas Amazon Reviewer A message from the author A reader fan recently set up a blog dedicated to casting the actors for the War of the Fae movie No it is not in production to be made into a movie nor have I sold the rights to anyone for the movie But just in case I ever do my fans will be sure the casting director has a complete line up ready Check it out ellecasey.com WOTF_Movie
