Mr Dooley And The Chicago Irish:

Mr. Dooley and the Chicago Irish Finley Peter Dunne, 1976 Finley Peter Dunne and Mr. Dooley Charles Fanning, 2014-07-15

Finley Peter Dunne American journalist and humorist is justly famous for his creation of Mr Dooley the Chicago Irish barkeep whose weekly commentary on national politics war and human nature kept Americans chuckling over their newspapers for nearly two decades at the beginning of this century Largely forgotten in the files of Chicago newspapers however are over 300 Mr Dooley columns written in the 1890s before national syndication made his name a household word Charles Fanning offers here the first critical examination of these early Dooley pieces which far better than the later ones reveal the depth and development of the character and his creator Dunne created in Mr Dooley a vehicle for expressing his criticism of Chicago's corruption despite the conservatism of most of his publishers Dishonest officials who could not be safely attacked in plain English could be roasted with impunity in the pure Roscommon brogue of a fictional comic Irishman In addition Dunne painted through the observations of his comic persona a vivid and often poignant portrait of the daily life of Chicago's working class Irish community and the impact of assimilation into American life He also offered cogent views of American urban political life already dominated by the Irish as firmly in Chicago as in other large American cities and of the tragicomic phenomenon of Irish nationalism Mr Fanning's penetrating examination of these early Dooley pieces clearly establishes Dunne as far more than a mere humorist Behind Mr Dooley's marvelously comic pose and ironic tone lies a wealth of material germane to the social and literary history of turn of the century America

Dunne was a rapidly rising newspaperman and the pieces mainly appeared in the Chicago paper which he worked for. During that time Dunne detailed the daily life of Bridgeport through Dooley's lips painting a portrait of ethnic urban life unparalleled in 19th century American literature. Dunne's bartender came to wider attention with the wartime columns and the Dooley pieces were soon in newspapers nationwide. Both the columns and the books collecting them gained national acclaim. Beginning around 1905 Dunne had increasing trouble finding time and inspiration for new columns and they ended in 1915 except for a brief resurrection in the mid 1920s. Even in Dunne's own time he died in 1936 his work was becoming obscure due in part to his use of dialect and the unusual spellings that it used have proved a lasting barrier for potential readers.

Indeed his sketches became so popular and such a litmus test of public opinion that they were read each week at White House cabinet meetings.
