Back cover **The Authentic Witness** C. Norman Kraus, 2010-03-01 Traditional Protestant theology has long answered the question What is the true church by pointing to the visible church its location nature and structure The recent increase of interest in missions however has raised the issues of the church s role and identity its mission in the world It is no longer enough to use orthodoxy as the criterion for the genuineness of the church identifying the body of Christ by organization or clerical structure perfection in lifestyle or ecstatic experience of the Holy Spirit Rather says Norman Kraus the mark of the true church is its authenticity its ability to remain true to its original prototype in character and purpose Thus the church s mission is to be the authentic community of witness to the world The Christian community affirms each individual as a person in Christ and its objective for the world is the same as for itself it calls the world to peace in Christ The church in mission then must be a sign to the world of the kingdom of God As an authentic community it is a healing community characterized and organized around its mission of reconciling witness rather than creeds various practices or preaching Following Christ as its model its message is salvation and reconciliation *Editor & Publisher* , 1929 The fourth estate *Basic Religious Books and Chaplains' Services* Jewette Cowan, 1967 **To Live Again** Catherine Marshall, 2019-02-12 Catherine Marshall s candid story of recovery after devastating loss When Catherine Marshall s husband Peter died unexpectedly the sudden loss was overwhelming Overnight she became a single mother and young widow of a nationally beloved preacher Catherine recalls how she clung tightly to a loving God while grappling with grief and loneliness Thrust into an unfamiliar world of financial concerns job hunting and single parenting she held fast to her tenacious faith When she was asked to edit a small volume of her husband s sermons a new chapter began Catherine followed up by penning the powerful story of Peter s life catapulting her into a writing career as a New York Times best selling author In this vulnerable account of the years after Peter s death Catherine shares how she learned to trust in the goodness of God that restored and redirected her life
