But what if the shock is too much for them? Blunt and Gobbel didn't join up in order to ruin people's lives. Maybe they'd be happier not knowing. And maybe it would all be much easier if the two constables weren't also stuck in the middle of a full-scale village lynch mob.

After the End Dennis Kelly, 2022-03-11. A city under attack from a nuclear blast. As the dust settles, Louise wakes to find herself in a fallout shelter with Mark, the colleague who has saved her life. They have enough water and food to last two weeks. Now they just need to find a way of surviving each other. A chilling post-nuclear play that examines what it takes to endure catastrophe. *After the End* was originally published in 2005. Clickbait Milly Thomas, 2016-01-19. Nicola Barker is in trouble. A video has been made and she is the unwitting star. In a bid to stop the footage being used against her, Nicola makes a snap decision to post it online herself. What started as a drunken night in a dirty club ends with a unique business opportunity for Nicola and her two sisters, changing the meaning of amateur porn forever. But where there is demand, there must be supply, and as the line between empowerment and exploitation becomes blurred, public opinion begins to turn against the trio. A darkly comic new play from the writer-director team behind *A First World Problem*, this is a blistering study of our attitudes to porn and the women who make it for themselves.
