Mr. Lincoln and the Time Train WeWrite Kids,2003 Three children discover what life might have been like if Abraham Lincoln had never lived      Pictorial History of the Civil War V2 Benson John Lossing,2010-06-29 Supreme Court Justice Oliver Wendell Holmes claimed that historian Benson J Lossing did more than any other man to make history interesting and popular Lossing wrote his comprehensive three volume history of the Civil War at a time when the facts were still fresh Originally published in 1867 Volume Two covers the period immediately following the Battle of Bull Run in the summer of 1861 to the summer of 1863 and the fall of Vicksburg To research this volume the author traveled several thousand miles to visit principal battlefields of the war Lossing accompanies his narratives of marches battles and sieges with maps and plans includes biographical sketches of the prominent people from both sides of the conflict and illustrates his history with hundreds of drawings and engravings by the author and others      Publications of the Rochester Historical Society Rochester Historical Society (Rochester, N.Y.),1924      *Baltimore and Ohio Magazine* ,1921      **American Illustrated Magazine** ,1912      **Harper's New Monthly Magazine** Henry Mills Alden,Frederick Lewis Allen,Lee Foster Hartman,Thomas Bucklin Wells,1868 Important American periodical dating back to 1850      **American Magazine** ,1912      Congressional Record United States. Congress,1976      **The Century Illustrated Monthly Magazine** ,1888      **The Century** ,1888      Harper's New Monthly Magazine ,1868      **Villard: The Life and Times of an American Titan** Alexandra Villard de Borchgrave,John Cullen,2019-08-15 Born Heinrich Hilgard in Bavaria Henry Villard 1835 1900 emigrated to the United States at age 18 after a disagreement with his father penniless not speaking a word of English and without his parents knowledge Within five years he had mastered the English language and was covering the events of the day for the nation s top newspapers Villard reported firsthand on the Lincoln Douglas debates and from the front lines of the Civil War filed graphic hard hitting reports that earned him the admiration of the newspaper community His circle of acquaintances included President Lincoln General Grant and the famed abolitionist William Lloyd Garrison whose daughter Villard married When the Civil War ended Villard s penchant for risk taking and adventure and his uncanny business acumen led him to become a restless innovator breaking new ground in many areas In journalism he launched the first news syndicate in the United States in the world of finance he was a pioneer of venture capitalism and one of the first to employ the leveraged buyout He catapulted himself into the presidency of the Northern Pacific Railroad and shared with Thomas Edison the vision of an electrified nation His investment in Edison s electrical enterprises paved the way for Villard to mastermind the consolidation of what is now known as the General Electric Company In 1883 triumphantly driving the last spike himself he completed the nation s second transcontinental railroad Later that year a financial panic nearly ruined him but within a few years he made a phenomenal comeback based on his faith in Edison and the future of electricity Drawing on unpublished letters Henry Villard s German and English memoirs and other sources this biography vividly recreates Villard s

times and tells the rags to riches story of a German immigrant who made major contributions to his adopted homeland Villard s story is worth telling and in this biography it is told well The Economist The account here of young Henry s ghastly first year as an immigrant is terrific as good a piece of American biography as I ve read In general you come away from the book with a much clearer idea of the Civil War as opportunity not merely disaster and as the watershed in U S history Villard was an attractive character optimistic generous affectionate His attitudes toward slavery and female emancipation need cause his great granddaughter no blush B ecause we have so much information about Henry Villard he comes alive for us as no other businessman of his age James Buchan The Observer In their well crafted biography Alexandra Villard de Borchgrave and John Cullen lovingly recount the meteoritic rise of one of the nineteenth century s most unsung business titans Henry Villard Ryan J Carey Harvard Business School s Business History Review An insightful lively and much needed biography John M Lindley Ramsey County History Henry Villard is a name not widely known today but a century ago this would not have been the case Alexandra de Borchgrave s and John Cullen s biography of her greatgrandfather s rise from penniless and prospectless young German immigrant to prominence and wealth has the fast pace and rich detail of a good novel and the meticulous research of a good history Dr Henry A Kissinger Henry Villard s great granddaughter Alexandra de Borchgrave and John Cullen have brought us a fascinating brisk and judicious life of one of the most intriguing figures in American history Villard is the story not only of one man s heroic enterprise but also of Abraham Lincoln William Lloyd Garrison and the Civil War the rise of railroads the contradictions of the Gilded Age and New York s arrival as a world class city Michael Beschloss historian A spruce engaging account of the life and services of one of the great public and private figures of our time Anyone engaged with New York and American values in the past century should certainly read it It will be time admirably spent John Kenneth Galbraith professor of economics Harvard University A remarkable illuminating portrait of one of the great figures of New York history Superbly told An important adjunct to the library of anyone who is interested in the history of New York City George Plimpton author editor of The Paris Review The stirring saga of a truly remarkable man who enthusiastically embraced the challenges of his turbulent century Immigrant journalist explorer war correspondent entrepreneur tycoon and visionary Villard s boundless energy adventurous spirit and courage in the face of adversity are an inspiration Brian C Pohanka Civil War author and consultant to Time Life Books The Civil War Alexandra de Borchgrave and John Cullen at last do justice to a forgotten giant of American journalism and finance A Civil War correspondent who invented the news syndicate and knew and was admired by President Lincoln he then entered the world of finance to tussle with the likes of J P Morgan in the building of American railroads and the founding of what became General Electric Almost ruined in the panic of 1883 he returned to rebuild his empire and regain his place both in business and society It s a great addition to the story of America Walter B Wriston former chairman Citicorp Youth's Companion ,1925 *The Pinks* Chris Enss,2017-07-01 The true story of Kate Warne and the other women who served as Pinkertons fulfilling the adage Well

behaved Women Seldom Make History Most students of the Old West and American law enforcement history know the story of the notorious and ruthless Pinkerton Detective Agency and the legends behind their role in establishing the Secret Service and tangling with Old West Outlaws But the true story of Kate Warne an operative of the Pinkerton Agency and the first woman detective in America and the stories of the other women who served their country as part of the storied crew of crime fighters are not well known For the first time the stories of these intrepid women are collected here and richly illustrated throughout with numerous historical photographs From Kate Warne s probable affair with Allan Pinkerton and her part in saving the life of Abraham Lincoln in 1861 to the lives and careers of the other women who broke out of the Cult of True Womanhood in pursuit of justice these true stories add another dimension to our understanding of American history
