Mr. Pickwick is Sued for Breach of Promise Charles Dickens,1906 *Littell's Living Age* Eliakim Littell,Robert S. Littell,1890 Promising Language Randall Craig,2000-01-01 Argues that Victorian legal linguistic and cultural attitudes toward promises especially promises to marry had a formative effect on novels of the period 'This Double Voice' NA NA,2016-04-30 The Double Voice reassesses the notions of gender which have been used to analyze Renaissance literature Rather than assuming that men and women write differently because of background education and culture it tries to unsettle the connections between the sex of the author and the constructions of gender in texts and to reconsider the prevalent determinist model of reading which tends to consign women writers to the private domestic sphere and to render male negotiations of gender invisible and transparent **The Cornhill Magazine** William Makepeace Thackeray,1890
