Hearings United States. Congress. House, 1943 *Hypnosis* Tad James, 1999-11-26 This practical resource makes three radically different types of hypnosis easy to use in daily hypnotic work exploring the methods of Milton H Erickson George Estabrooks and David Elman A gem Well written well paced and packed with information Andrew Bradbury author of *Successful Presentation Skills and Develop Your NLP Skills* *Just Give Me Your Last Name* Temi Olaniyan, 2019-06-10 Just Give Me Your Last Name is a book that was born out of the life of a frustrated single waiting endlessly for love This book takes you through my journey of finding true love in singleness and becoming whole in that process The aim of this book is to give you a different perspective to single life and to help you embrace your single journey as you hope to embrace the marriage journey The book is about finding the silver lining in the seemingly cloud of single life and letting that lining trump the cloud until the gloss of your single life is evident to the world My hope is that as you read this book you will prioritize finding and giving love as a single person instead of waiting for love to find you This book will move you to the front seat of your single life have you switch to cruise mode and soar the length and breadth of singleness in confidence This book will make you laugh get you thinking and ultimately move you to action that will birth the change you always hoped for A Temporary Memory Marie Johnston, 2023-11-16 Nannying two adorable kids was a way to support myself until I got on my feet again I wasn't supposed to fall for their stern single dad After a sudden bad breakup I land in a small town in the middle of nowhere cut off from all my accounts and resources I have a stalled dancing career a mom in long term care and no money Then I meet Alcott Cody Knight The type of guy I've learned to steer clear of driven rigid and devastating in a suit Only he also has two adorable kids and he needs a nanny for the summer For two months he'll pay more than I need to help my mom and myself For two months I'll take care of his kids give them dance lessons and see what a normal life could be like For two months I have to try not to fall for a guy who's hotter in jeans and cowboy boots than in a suit and treats me like I matter But my stay was only ever for a few months to get back on my feet so I can get my life back I might be used to leaving but I can't stop wishing Cody and I could be more than a temporary memory A Temporary Memory is a standalone novel in the Crocus Valley series formerly titled the Oil Knights series Topics contemporary romance series romantic suspense series mystery modern romance urban romance wealthy city romance smart romance mystery lighthearted romance hot romance sexy heartwarming heart warming family love love books kissing books emotional journey contemporary contemporary romance romance series wealthy hero sassy strong heroine captivating romance hot hot romance sparks loyalty swoon contemporary boss nanny forced marriage marriage arrangement morally gray hero beach read romantic vacation found family strong heroine caretaker protective hero steamy spicy Other readers enjoyed books by Riley Edwards Cat Johnson Alexis Abbott Lori Ryan Meghan March Kristin Ashley Brittney Sahin Sharon Hamilton Catherine Cowles Lexi Blake Piper Davenport Abbie
