*New York Magazine*, 1992-05-25 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

**Her One True Love** Rachel Brimble, 2016-03-15 She Can't Forget Him Jane Charlotte Danes has loved the squire of her idyllic country town for as long as she can remember. He is good, kind, and alluring beyond words, and he chose to marry another. Tired of dwelling on her futile longings, Jane plans a move to Bath where she dreams of a new beginning. But the man who has so imprisoned her heart is only a few steps behind. He Can't Let Her Go Until now Matthew Cleaves has endeavored to meet the responsibilities of his position with dignity and good spirits, including his dutiful marriage. But when his wife leaves him for another man, Matthew is at last free to pursue his one true love. Only one vital question remains: will the captivating, stubborn, beautiful Jane allow him the challenge and the pleasure of winning her back. An entertaining read. *Library Journal* on *The Temptation of Laura*

*Women Lawyers* Mona Harrington, 2013-09-11 The very presence of women in the law, normal as it may seem to us today, signals revolutionary change in a social order that for centuries entrusted control over its rules to men. Mona Harrington examines both the problems women meet when they claim equal authority as rule makers and the impact of new perspectives and issues that women bring with them into the profession. On the basis of more than one hundred interviews with women lawyers, judges, law school professors, and law students, and through the stories of their daily experiences, Harrington pinpoints and analyzes the key factors holding women back in a profession still dominated by males: among them, the men's club ambience, the focus on billable hours, sexual harassment, and the inequality it perpetuates, lingering unequal division of labor at home, and hostile media images of women in positions of power. She shows us what life is like for women lawyers in practice today and how their dilemmas reflect the social issues of our time. She gives us the voices of women who have adapted to the cultural codes of corporate law and women who have broken them, women who have successfully balanced their professional and private lives, and women who feel trapped by the combination of long hours at the office and full responsibility at home. She introduces us to women in new and alternative firms, on the faculties of small public law schools, in in-house legal departments, in prosecutors' offices, and in courtrooms, women who are devising new rules and legal theories to bring about change. *Women Lawyers* is must reading for every woman in the midst of or contemplating a career in the law and for the men who work with them.

*Abdication* Juliet Nicolson, 2013-06-06 After the recent death of George V, England has a new king, Edward VIII. But for all the confident pomp and ceremony of the accession, it is a turbulent time. When nineteen-year-old May Thomas arrives in Liverpool, her first job as secretary and chauffeuse to Sir

Philip Blunt introduces her to the upper echelons of British society and to Julian a young man of conscience whom despite all barriers of class she cannot help but fall for But hidden truths unspoken sympathies and covert complicities are everywhere and the threat of another world war becomes increasingly inevitable **Locomotive Engineers Journal** ,1913
