Rick Poynor

Mrs Caliban And Other Stories:

Mrs Caliban and other stories Rachel Ingalls, 2013-04-18 I loved Mrs Caliban So deft and austere in its prose so drolly casual in its fantasy John Updike First published in 1982 Mrs Caliban was in 1986 selected by the British Book Marketing Council as one of the 20 best post war American novels Ingalls takes a B movie premise aquatic humanoid escapes from lab and pounds it into a thrilling new shape a vehicle for social satire kitchen sink realism surreal domesticity and just plain blood curdling screams The book deals with incest and insanity curtailed feminine social spheres and the Other horrific violence and a palpable sadness saturate the pages Ed Park Village Voice This volume also includes two story collections Three of a Kind and The End of Tragedy so making a tremendous primer in the subtle prose style and fabulist force of Rachel Ingalls

Mrs Caliban and Others Rachel Ingalls, 1982 **Mrs. Caliban** Rachel Ingalls, 1988 A lonely California housewife has an affair with a six foot seven green monster named Larry *Farthest South & Other Stories* Ethan Rutherford, 2021-04-21 A baby is born with gills Foxes raise and then lose a human child A man in the final throes of his deathbed fever dream experiences a cross Antarctic voyage The stories in Furthest South the second story collection from renowned writer Ethan Rutherford find characters in the most unexpectedly menacing of circumstances in which their sanity happiness and safety are put to the test Formally ambitious with an eye toward the strange with a inimitable style all Rutherford s own each story is nonetheless firmly grounded by a deep human concern the anxiety of family connection and humanity

Historical Dictionary of Fantasy Literature Allen Stroud, 2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature

Constellation Caliban , 2023-12-11 We are now in the Age of Caliban rather than in the Time of Ariel or the Era of Prospero Harold Bloom claimed in 1992 Bloom was specifically referring to Caliban s rising popularity as the prototype of the colonised or repressed subject especially since the 1980s However already earlier the figure of Caliban had inspired artists from the most divergent backgrounds Robert Browning Ernest Renan Aim C saire and Peter Greenaway to name only some of the better known Much has already been published on Caliban and there exist a number of excellent surveys of this character s appearance in literature and the other arts The present collection does not aim to trace Caliban

over the ages Rather Constellation Caliban intends to look at a number of specific refigurations of Caliban What is the Caliban figure's role and function within a specific work of art What is its relation to the other signifiers in that work of art What interests are invested in the Caliban figure what values does it represent or advocate Whose interests and values are these These and similar questions guided the contributors to the present volume In other words what one finds here is not a study of origins not a genealogy not a reception study but rather a fascinating series of case studies informed by current theoretical debate in areas such as women's studies sociology of literature and of the intellectuals nation formation new historicism etc Its interdisciplinary approach and its attention to matters of multi culturalism make Constellation Caliban into an unusually wide ranging and highly original contribution to Shakespeare studies The book should appeal to students of English Literature Modern European Literature Comparative Literature Drama or Theatre Studies and Cultural Studies as well as to anyone interested in looking at literature within a broad social and historical context while still appreciating detailed textual analyses

The A to Z of Fantasy Literature Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites

Shakespeare Survey: Volume 53, Shakespeare and Narrative Peter Holland, 2000-11-02 The theme for Shakespeare Survey 53 is Shakespeare and Narrative

Tempests after Shakespeare C. Zabus, 2016-04-30 *Tempests After Shakespeare* shows how the rewriting of Shakespeare's play serves as an interpretative grid through which to read three movements postcoloniality postpatriarchy and postmodernism via the Tempest characters of Caliban Miranda Sycorax and Prospero as they vie for the ownership of meaning at the end of the twentieth century Covering texts in three languages from four continents and in the last four decades this study imaginatively explores the collapse of empire and the emergence of independent nation states the advent of feminism and other sexual liberation movements that challenged patriarchy and the varied critiques of

representation that make up the postmodern condition **The Cambridge Companion to Postmodern American Fiction** Paula Geyh, 2017-04-24 Few previous periods in the history of American literature could rival the richness of the postmodern era the diversity of its authors the complexity of its ideas and visions and the multiplicity of its subjects and forms This volume offers an authoritative comprehensive and accessible guide to the American fiction of this remarkable period It traces the development of postmodern American fiction over the past half century and explores its key aesthetic cultural and political contexts It examines its principal styles and genres from the early experiments with metafiction to the most recent developments such as the graphic novel and digital fiction and offers concise compelling readings of many of its major works An indispensable resource for students scholars and the general reader the Companion both highlights the extraordinary achievements of postmodern American fiction and provides illuminating critical frameworks for understanding it **British Book News** British Council, 1993 Includes no 53a British wartime books for young people *Waterstone's Guide to Books* Waterstone & Co, 1988 **Small Press**, 1986 *The Chronology of American Literature* Daniel S. Burt, 2004 If you are looking to brush up on your literary knowledge check a favorite author's work or see a year's bestsellers at a glance The Chronology of American Literature is the perfect resource At once an authoritative reference and an ideal browser's guide this book outlines the indispensable information in America's rich literary past from major publications to lesser known gems while also identifying larger trends along the literary timeline Who wrote the first published book in America When did Edgar Allan Poe achieve notoriety as a mystery writer What was Hemingway's breakout title With more than 8 000 works by 5 000 authors The Chronology makes it easy to find answers to these questions and more Authors and their works are grouped within each year by category fiction and nonfiction poems drama literary criticism and publishing events Short concise entries describe an author's major works for a particular year while placing them within the larger context of that writer's career The result is a fascinating glimpse into the evolution of some of America's most prominent writers Perhaps most important The Chronology offers an invaluable line through our literary past tying literature to the American experience war and peace boom and bust and reaction to social change You'll find everything here from Benjamin Franklin's Experiments and Observations on Electricity to Davy Crockett's first memoir from Thoreau's Civil Disobedience to Edith Wharton's Ethan Frome from meditations by James Weldon Johnson and James Agee to poetry by Elizabeth Bishop Also included here are seminal works by authors such as Rachel Carson Toni Morrison John Updike and Arthur Schlesinger Jr Lavishly illustrated and rounded out with handy bestseller lists throughout the twentieth century lists of literary awards and prizes and authors birth and death dates The Chronology of American Literature belongs on the shelf of every bibliophile and literary enthusiast It is the essential link to our literary past and present *Design Without Boundaries* Rick Poynor, 1998 On graphic communication **The Publishers Weekly**, 1886 **Fantasy and Horror** Neil Barron, 1999-06-17 More than 2 300 works of fiction and poetry are discussed each cross referenced to other works with similar or contrasting themes Winners and

nominees for major awards are identified Books that are part of a series are flagged with a complete list of books in series included in a final chapter along with a comprehensive list of awards of translations and of young adult and children s books

Historical Dictionary of Fantasy Literature Brian Stableford,2005-09-29 This Historical Dictionary of Fantasy Literature provides an invaluable guide to the current state of the field The chronology tracks fantasy s evolution from the origins of literature until the 21st century The introduction explains the nature of the impulse to create and shape fantasy literature the problems in defining what it is and the reasons for its changing historical fortunes The dictionary includes more than 700 entries on authors both contemporary and historical and more than 200 entries on fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies **Magill's Literary Annual 1989** Frank N. Magill,1989-06 Reviews of significant fiction and nonfiction published in 1988 Provides coverage for works that are likely to be of particular interest to the general reader that reflect the publishing trends of a given year and that will stand up to the test of time *Shakespeare Survey* Allardyce Nicoll,2000 An annual survey of Shakespearian study and production
