Basinger,2013-09-04 Now Voyager Stella Dallas Leaver Her to Heaven Imitation of Life Mildred Pierce Gilda these are only a few of the hundreds of women s films that poured out of Hollywood during the thirties forties and fifties The films were widely disparate in subject sentiment and technique they nonetheless shared one dual purpose to provide the audience of women primarily with temporary liberation into a screen dream of romance sexuality luxury suffering or even wickedness and then send it home reminded of reassured by and resigned to the fact that no matter what else she might do a woman s most important job was to be a woman Now with boundless knowledge and infectious enthusiasm Jeanine Basinger illuminates the various surprising and subversive ways in which women s films delivered their message Basinger examines dozens of films exploring the seemingly intractable contradictions at the convoluted heart of the woman s genre among them the dilemma of the strong and glamorous woman who cedes her power when she feels it threatening her personal happiness and the self abnegating woman whose selflessness is not always as noble as it appears Basinger looks at the stars who played these women and helps us understand the qualities the right off screen personae the right on screen attitudes the right faces that made them personify the woman s film and equipped them to make believable drama or comedy out of the crackpot plots the conflicting ideas and the exaggerations of real behavior that characterize these movies In each of the films the author discusses whether melodrama screwball comedy musical film noir western or biopic a woman occupies the center of her

particular universe Her story in its endless variations of rags to riches boy meets girl battle of the sexes mother love doomed romance inevitably sends a highly potent mixed message Yes you women belong in your proper place that is content with the Big Three of the women s film world men marriage and motherhood but meanwhile and paradoxically see what fun glamour and power you can enjoy along the way A Woman s View deepens our understanding of the times and circumstances and attitudes out of which these movies were created *Look Behind You* Sarah Haley Head,2003-10 Horror descends on the small town of Ashley Springs Arkansas when the slaughter of some of its most respected business men begins Amy Bordeaux owner of an antique shop discovers the body of the second victim She has a precognitive flash of another murder not yet committed Amy is unable to convince Sheriff Frank Morgan of the validity of her vision Another man is murdered exactly as she saw it Frank who knew all three victims as young men believes that past events in their lives have come back to haunt them He secretly thinks that Amy s precognition is real and is afraid she will identify the killer before he can make an arrest Frank decides to confront the person he believes to be guilty Later his deputies report him missing Amy desperate to stop both the visions and the killings has begun her own investigation She is unaware that the killer is watching her every move When she stumbles upon the sheriff s body in a most unexpected place Amy is forced to accept the unacceptable when the killer stands before her She literally runs for her life The Grip of the Bookmaker Percy White,1901
