Driver,2008-01-01 Culinary Landmarks is a definitive history and bibliography of Canadian cookbooks from the beginning
when La cuisini re bourgeoise was published in Quebec City in 1825 to the mid twentieth century Over the course of more
than ten years Elizabeth Driver researched every cookbook published within the borders of present day Canada whether a
locally authored text or a Canadian edition of a foreign work Every type of recipe collection is included from trade publishers
bestsellers and advertising cookbooks to home economics textbooks and fund raisers from church women s groups The
entries for over 2 200 individual titles are arranged chronologically by their province or territory of publication revealing
cooking and dining customs in each part of the country over 125 years Full bibliographical descriptions of first and
subsequent editions are augmented by author biographies and corporate histories of the food producers and kitchen
equipment manufacturers who often published the books Driver s excellent general introduction sets out the evolution of the
cookbook genre in Canada while brief introductions for each province identify regional differences in developments and
trends Four indexes and a Chronology of Canadian Cookbook History provide other points of access to the wealth of material
in this impressive reference book **Mrs. Beeton's Dictionary of Every-Day Cookery** Mrs. Beeton,2016-08-13 The
reasons for the publication of this Volume the First of a Series of Practical Manuals which were to be called the All About It
Books were thus explained in a Prospectus issued a few months ago and approved by the late Mrs S O Beeton Many wishes
have been expressed to the Authoress of the Book of Household Management that a volume of Recipes in Cookery should be
written which could be sold at a price somewhere between the seven and sixpenny Household Management and the Shilling
Cookery Book Accordingly Mrs Beeton has prepared a Collection of Recipes and of other Practical Information concerning
the Dressing and Serving of Family Fare which when completed will be published in serviceable binding at the price of Three
Shillings and Sixpence As Mistress Cook and Critic have declared that the details in Mrs Beeton s larger work are so easy to
understand the Authoress has followed in every Recipe printed in the present Dictionary the same simple plan she originally
used Regarding however the arrangement of the Recipes the Authoress has chosen the Dictionary form believing an

alphabetical arrangement to be the best for a book that is being constantly referred to By the adoption of a very intelligible system all cross reference and that very disagreeable viii parenthesis See So and so is avoided except in a very few instances Where any warning as to what should not be done is likely to be needed it is given as well as advice as to what ought to be done No pains have been thought too great to make little things clearly understood Trifles constitute perfection It is just the knowledge or ignorance of little things that usually makes the difference between the success of the careful and experienced housewife or servant and the failure of her who is careless and inexperienced Mrs **Mrs Beeton's Cookery Book and Household Guide** Mrs. Beeton (Isabella Mary),1890 **Mrs. Beeton's Cookery Book** Mrs. Isabella Mary Beeton,1906 Mrs Beeton's cookery for all Mrs Beeton (Isabella Mary),1978 *Mrs. Beeton's Cookery Book* Mrs. Beeton (Isabella Mary),1908 *Mrs. Beeton's Cookery Book* Mrs. Isabella Mary Beeton,1901 *Mrs. Beeton's Cookery Book* Mrs. Beeton,
