Ms Windows Xp Inside Out Deluxe Edition

Ed Bott, Carl Siechert, Craig Stinson

Ms Windows Xp Inside Out Deluxe Edition:

Microsoft Windows XP Inside Out Ed Bott, Carl Siechert, Craig Stinson, 2001 Ed Bott and Carl Siechert have combined their considerable talents for producing user level documentation in creating Microsoft Windows XP Inside Out One of the most carefully researched books on Windows XP to date this large volume has all the information and procedures most everyday users of the operating system will want With its nicely formatted how to instructions detailed documentation of command line commands intelligent explanatory text and broad scope this book makes a great reference for a family or business that uses Windows XP extensively Even the illustrations are more helpful than usual largely because the publisher has gone to the trouble of annotating many of them with pointers and labels Bott and Siechert deal with the most controversial features of Windows XP notably product activation in a straightforward way They simply explain what activation is for tell how to go about it and move on If you re a power user interested in getting around activation and performing other unsanctioned hacks look for your information in online newsletters This book plays by Microsoft s rules and that s fine It s obvious that the authors have had access to Windows XP for some time and spent a lot of time exploring its new features Count on this book to explain the complete set of Windows XP s features even the exciting networking stuff in terms you can easily follow David Wall Topics covered Microsoft Windows XP Professional and Home editions for home and office users who want to install use and run applications Emphasis is on basic set up and configuration hardware installation and modification file management multimedia and networking

Windows 7 Inside Out, Deluxe Edition Ed Bott, Carl Siechert, Craig Stinson, 2011-07-15 Dive deeper into Windows 7 with new content and new resources on CD The Deluxe Edition of the ultimate in depth reference to Windows 7 has been fully updated for SP1 and Internet Explorer 9 and features 300 pages of additional coverage and advanced topics It s now packed with even more timesaving solutions troubleshooting tips and workarounds from the experts and includes a fully searchable eBook and other online resources Topics include installation configuration and setup network connections and troubleshooting remote access managing programs controlling user access and accounts advanced file management working with Internet Explorer 9 managing security features and issues using Windows Live Essentials 2011 performance monitoring and tuning backups and maintenance sharing networked resources hardware and device drivers For customers who purchase an ebook version of this title instructions for downloading the CD files can be found in the ebook
