

The background of the cover is a complex, abstract composition. It features several stylized, overlapping faces in shades of gray and white. The faces are composed of smooth, flowing lines and organic shapes, giving them a dreamlike, ethereal quality. Some faces are looking forward, while others are in profile. Interspersed among the faces are numerous circular and oval shapes, some solid and some outlined, creating a sense of depth and movement. The overall effect is a rich, layered visual experience that reflects the intricate and often mind-bending nature of Escher's work.
