Mud Soldiers Life Inside The New American Army:

Mud Soldiers George C. Wilson,1991 Mud Soldiers is a compelling look at one group of young recruits volunteers who make up today s U S Army Wilson actually lived with the recruits and is able to offer a unique and complete portrait of their lives their troubles as well as their triumphs A candid and impassioned briefing Kirkus Reviews **Professional Journal of the United States Army** ,1990 **Army Officer's Guide** Keith E. Bonn,2005-04-07 To celebrate the 75th in print anniversary of the Army Officer s Guide Stackpole Books is offering a deluxe bound hard cover limited printing of its famous Army Officer s Guide now in its 50th Edition Included are a history of this venerable book and excerpts from the 1930 first edition of the Guide and the influence it has had on the United States Army officer corps in World War II the Korean War the Vietnam War and today s conflicts **Army Officer's Guide: 52nd Edition** Col. Robert J. Dalessandro USA (Ret.),2013-09-01 Practical advice on Army leadership and command Fully updated with the latest information for officers of all ranks branches and components Covers uniforms and insignia duties and responsibilities privileges and restrictions courtesy and customs posts and organizations regulations and references Includes full color reference of medals and badges

Air University Library Index to Military Periodicals ,1991 General William E. DePuy Henry G. Gole,2008-09-26 This excellent biography of one of the US Army s unsung heroes provides a much needed re examination of the early post Vietnam Army Bowling Green Daily News By the 1970s the United States Army was demoralized by the outcome of the Vietnam War and shifting attitudes at home The institution as a whole needed to be reorganized and reinvigorated and General William E DePuy was the man for the job In 1973 DePuy was appointed commander of the newly established Training and Doctrine Command TRADOC By integrating training doctrine combat developments and management in the US Army he cultivated a military force prepared to fight and win in modern war General William E DuPuy is the first full length biography of this key figure in American military history With extensive interviews with those who knew DePuy as well as access to his personal papers Henry G Gole chronicles and analyzes his unique contributions to the Army and nation Gole guides the reader from DePuy s boyhood and college days in South Dakota through the major events and achievements of his life During World War II DePuy served in the 357th Infantry Regiment in Europe from the Normandy invasion until 1945 when he was stationed in Czechoslovakia DePuy was asked by George Patton to serve as his aide he supervised clandestine operations in China he was instrumental in establishing Special Forces in Vietnam and he briefed President Lyndon B Johnson in the White House But his finest contribution was fixing a broken Army **A Time for War** Robert D. Schulzinger,1997 Eminent historian Robert D Schulzinger combines the newly available documentary evidence both in public and private archives to produce an ambitious masterful account of three decades of war in Vietnam **The Road to Safwan** Stephen Alan Bourque,John W. Burdan,2007 The Road to Safwan is a complete history of the 1st Infantry Divisions cavalry unit fighting in Operation Desert Storm Stephen A Bourque and John W Burdan III served in the 1st Infantry Bourque in

Division Headquarters Burdan as the Operations Officer of the 1st Squadron 4th Cavalry Based on extensive interviews and primary sources Bourque and Burdan provide the most in depth coverage to date of a battalion level unit in the 1991 war showing how the unit deployed went into combat and adapted to changing circumstances The authors describe how the officers and men moved from the routine of cold war training to leading the Big Red One in battle through the Iraqi defenses and against the Iraqi Republican Guard The 1st Squadron 4th Cavalry participated in the 1st Brigade attack on G Day the large tank battle for Objective Norfolk the cutting of Basra Road and the capture of Safwan Airfield the site where General H Norman Schwarzkopf conducted cease fire negotiations with the Iraqis The squadrons activities are placed squarely within the context of both division and corps activities which illustrates the fog of war the chain of command and the uncertainty of information affecting command decisions The Road to Safwan challenges the myth that technology won the 1991 Persian Gulf War Contrary to popular view it was a soldier s war not much different from previous conflicts in its general nature What was different was the quality and intensity of the unit s training which resulted repeatedly in successful engagements and objectives secured It is the story of the people not the machines which ultimately led this squadron to the small town of Safwan Army Officer's Guide Robert J. Dalessandro, David H. Huntoon, 2013-09-01 Practical advice on Army leadership and command Fully updated with the latest information for officers of all ranks branches and components Uniforms and insignia duties and responsibilities privileges and restrictions courtesy and customs posts and organizations regulations and references Color images of medals and badges **Parameters**, 1989 *Review of Current Military Literature*, 1990

Victory Rests with the Lord James Schmidt, 2012-04-30 Victory Rests with the Lord is a validation of Proverbs 21 31 The Horse is made ready for the day of battle but victory rests with the Lord The commander of one of the most successful infantry companies during the Vietnam War makes a strong case that the war was winnable if God would have provided our leaders the wisdom and creativity to employ the correct tactics Victory Rests with the Lord explains why the most powerful military in the world was defeated in the Vietnam War It explains why and how God intervened in both victory and defeat within the war Uncover both the flawed tactics that led to America s defeat and the tactics that would have led to victory if used throughout the war Victory Rests with the Lord reveals a highly effective automated battlefield that employed mechanical ambushes in the latter years of the war Learn the most important lesson from the Vietnam War and what America must do to prevent another similar defeat Victory Rests with the Lord provides evidence of the power of Jesus Christ and serves as a warning to America to return to the Bible as its moral compass They Marched Into Sunlight David Maraniss, 2003-10-14 David Maraniss tells the epic story of Vietnam and the sixties through the events of a few gripping passionate days of war and peace in October 1967 With meticulous and captivating detail They Marched Into Sunlight brings that catastrophic time back to life while examining questions about the meaning of dissent and the official manipulation of truth issues that are as relevant today as they were decades ago In a seamless narrative Maraniss weaves together the

stories of three very different worlds the death and heroism of soldiers in Vietnam the anger and anxiety of antiwar students back home and the confusion and obfuscating behavior of officials in Washington To understand what happens to the people in these interconnected stories is to understand America's anguish Based on thousands of primary documents and 180 on the record interviews the book describes the battles that evoked cultural and political conflicts that still reverberate *The Vietnam War* James Schmidt, 2018-10-11 *The Vietnam War Why the United States Failed* provides valuable insight into the war that no other author has provided It reveals a highly effective automated battlefield that employed mechanical ambushes in the latter years of the war In order to maintain operational security during the war of this automated battlefield infantry troops in the field kept its use from journalists and out of the media Therefore the public and only a few within the military are aware of how effective it was in Vietnam The commander of one of the most successful infantry companies during the Vietnam War makes a strong case that the war was winnable if God would have provided our leaders the wisdom and creativity to employ the correct tactics The Vietnam War explains why the most powerful military in the world failed in the Vietnam War It explains why and how God intervened in both victory and defeat within the war Uncover both the flawed tactics that led to America's defeat and the tactics that would have led to victory if used throughout the war Learn the most important lesson from the Vietnam War and what America must do to prevent another similar defeat The Vietnam War provides evidence of the power of Jesus Christ and serves as a warning to America to return to the Bible as its moral compass

PARTICULAR BRAVERY: The Battle of Xa Cam My and the Death of a Grunt Company T.L. Derks, 2023-01-14 One hundred thirty six American soldiers isolated from supporting units hunted the dark jungles of Phuoc Tuy Province for the Viet Cong main force battalion D 800 The enemy found Charlie Company first Surrounded then gutted these Americans had been used as bait to draw out the enemy Charlie Company's heroic but doomed stand did not go according to American plans General William Westmoreland called the disaster a serious blow The Army Chief of Staff Harold K Johnson personally flew to Vietnam to confront Westmoreland and warn him that the American people would stop supporting the war if such costly battles continued There were heroes and there were cowards and some were both heroes and cowards They were all soldiers of the United States who were sent to fight in Southeast Asia by men in the halls of power who demonstrated no particular bravery in ordering these soldiers to fight and die Particular Bravery focuses on a company of warriors who labeled themselves grunts and honored military service as a patriotic obligation and believed fighting in Vietnam was their duty The soldiers' memories are the core of Particular Bravery Here are the grunts' recollections of their march to a night when 80% of them fell in battle They recall the friendly fire that shattered the unit they relive the hail of gunfire that decimated their ranks they recount the murder of their wounded friends and their own belief that as the noose tightened they were next they remember the battle's aftermath as they marched past rows of blood stained ponchos that covered their dead comrades It is also the story of unbelievable heroism as a gun ho former Marine turned Army Sergeant repeatedly risked his own life for his

comrades while an Air Force Pararescue hotshot volunteered to drop into hell so that others might live *Military Review* ,1990 *Social Sciences and the Military* Giuseppe Caforio,2006-11-22 Analyzes the military from a broad interdisciplinary basis in the social sciences filling the gap in the market Contains an international cast of scholars from the fields of military sociology and social sciences Will appeal to scholars of military sociology conflict resolution peace studies military history security studies and professionals in NGOs and military colleges United States Army Combat Forces Journal ,1988

Army Officer's Guide ,2023-10-17 The Army Officer s Guide is the crown jewel of Stackpole s military reference line First published in 1930 this guide has been continuously revised since then and has become the gold standard reference for the U S Army s officer corps especially the new second lieutenants commissioned into the army out of West Point and ROTC programs This edition has been thoroughly revised and updated with the latest information on leadership training military justice promotions benefits counseling soldiers physical fitness regulations and much more everything the officer needs to know in order to do his job well to advance his career to navigate the military and to guide his soldiers on and off the battlefield Topics include How to train lead and counsel troops effectively Tips on how to move along your career as an NCO by continuing education training and professional development Information about all the regulations NCOs need to be aware of in carrying out their jobs And much much more Stackpole has been guiding military officers and soldiers for more than 80 years Our guides still offer the best advice in the business better than any other book better than the internet Military Intelligence ,1990
