Now Discovering The Power Of The Present Tense:

Now Patrick Regan, 2012-11-06 You know that wonderful feeling you get when you accomplish a task you've been avoiding delaying or tiptoeing around Wouldn't it be great to have that feeling every day Now can show you how This simple but inspiring book reminds us that there are countless little acts that we can accomplish every day little lingering things that we can banish from our minds making room for the more important stuff For example Consolidate the ketchup bottles now Send those thank you notes now It's never too late Get three competitive bids on your car insurance now Put loose pictures in a photo album now Fierce competition among retailers has made nearly everything returnable If you don't like the blouse skirt couch return it now The swimsuit you're stuck with With glints of sly humor clever illustrations and surprising insight Now reminds us that what we accomplish needn't be earth shattering in scope or life altering in importance The beauty of now is simple Now removes nagging concerns from your consciousness Now gives you little victories every day Now liberates you and allows you to move on Now doesn't that sound good

Positive Thinking: Self help: Discover the Power of Positive Thinking and Change Your Mindset to Become an Optimist (Using The Power of Belief to Destroy Negativity) Jerome Wise, Positive thinking is the best and most powerful tool you can have to achieve happiness and success Research studies confirm that it brings about happiness health success inner peace improved relationships and longevity It makes your life easier richer and more fun It is also contagious People around positive people become positive themselves and very soon the whole place is a great place Unfortunately many are not able to use this wonderful force because they are bogged down by negative thinking which does the exact opposite You need to change your mindset to positive if you want to experience and achieve happiness and success in your life What do you usually do when you are bombarded with a lot of challenges in your life Do you easily give up and stay in the corner cursing and blaming the universe for your problems Do you depend on your vices just to cope up with the stress of it all Or you simply shut other people out of your life and live in your own dark and dramatic world When facing problems do you then feel that there's no escape and you wish that you could magically be gone in an instant If that's the case then you seriously need to reboot yourself start thinking positively and live life extraordinarily You are about to discover how to Become a happier more centered and positive person Reduce stress and anxiety Experience a period of calm that can open new doors to self awareness each day Let go of the negative thoughts and emotions holding you back Become actively aware of your mental and emotional state Reject negative thoughts and emotions Much more Simply scroll back to the top and press the Buy Now with 1 Click button to get your copy today
